Marg, Vikhroli (West), Mumbai – 400 083 enclosing their share certificate(s) to enable the Company to consolidate their holdings in one single folio.
10. The Notice of AGM and Annual Report are being sent in electronic mode to Members whose e-mail address is registered with the Company or the Depository Participant(s). Members (Physical / Demat) who have not registered their email addresses with the Company can get the same registered with the Company by requesting in member updation form by sending an email to [vadodara@linkintime.co.in](mailto:vadodara@linkintime.co.in) by submitting duly filled and signed member updation form to the

abovementioned email. Upon verification of the Form the email will be registered with the Company.

11. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of Contracts or arrangements in which the Directors are interested under Section 189 of the Companies Act, 2013 and all other documents referred to in the Notice will be available for inspection in electronic mode. Members can inspect the same by sending an email to [secretarial@integraengineering.in](mailto:secretarial@integraengineering.in).
12. Members are requested to advise, quoting their Folio Number(s), the change of address, if any, immediately to the Company at its Registered Office: Secretarial Department, INTEGRA Engineering India Limited., Chandrapura Village, Taluka: Halol – 389350, District: Panchmahals, Gujarat or to its Registrar and Share Transfer Agent Viz Link Intime India Private Limited (“Link Intime”), C-101, 247 Park, L.B.S. Marg, Vikhroli (West), Mumbai – 400 083, (Tel : (022) 49186270 Fax : (022) 49186060)E-mail : [mt.helpdesk@linkintime.co.in](mailto:mt.helpdesk@linkintime.co.in) and also to respective Depository Participant (DP), in case the shares are held in Demat Form.
13. In compliance with the provisions of Section 108 of The Companies Act, 2013 read with Rule 20 of The Companies (Management and Administration) Rules, 2014, and Regulation 44 of Securities Exchange Board of India (Listing Obligations and Disclosure Requirements), 2015, Members are provided with the facility to cast their votes electronically, through the evoting services provided by Central Depository Services (India) Limited [CDSL], on all the resolutions set forth in this Notice.

The Members, whose names appear in the Register of Members / Beneficial Owners as on the cut-off date i.e. 13th July, 2021, may cast their vote electronically. The e-voting period will commence from 17th July, 2021 at 09:00 a.m. (IST) and will end at 05:00 p.m. (IST) on 19th July, 2021. The e-voting module will be disabled on 19th July, 2021 at 05:00 p.m. (IST). The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being 13th July, 2021.

#### **CDSL e-voting system – For Remote e-voting and e-voting during AGM**

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated 08th April, 2020, Circular No. 17/2020 dated 13th April, 2020 and Circular No. 20/2020 dated 05th May, 2020. The forthcoming AGM will thus be held through video conferencing (VC) or Other Audio-Visual Means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management

and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated 08th April, 2020, 13th April, 2020 and 05th May, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting’s agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated 08th April, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated 13th April, 2020, the Notice calling the AGM has been uploaded on the website of the Company at [www.integraengineering.in](http://www.integraengineering.in). The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at [www.bseindia.com](http://www.bseindia.com). The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. [www.evotingindia.com](http://www.evotingindia.com).
7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated 08th April, 2020 and MCA Circular No. 17/2020 dated 13th April, 2020 and MCA Circular No. 20/2020 dated 05th May, 2020.
8. In continuation of this Ministry’s **General Circular No. 20/2020**, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in

the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated 13th January, 2021.

**THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:**

- (i) The voting period begins on 17th July, 2021 at 09:00 a.m. and ends on 19th July, 2021 at 05:00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 13th July, 2021 Record Date may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders / retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants.** Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings for **Individual shareholders holding securities in Demat mode** is given below:

(v) Login method for e-Voting and joining virtual meeting for **shareholders other than individual shareholders holding in Demat form & physical shareholders.**

- 1) The shareholders should log on to the e-voting website [www.evotingindia.com](http://www.evotingindia.com).
- 2) Click on “Shareholders” module.
- 3) Now enter your User ID
  - a. For CDSL: 16 digits beneficiary ID,
  - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
  - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- 4) Next enter the Image Verification as displayed and Click on Login.
- 5) If you are holding shares in demat form and had logged on to [www.evotingindia.com](http://www.evotingindia.com) and voted on an earlier e-voting of any company, then your existing password is to be used.
- 6) If you are a first-time user follow the steps given below:

For Members holding shares in Demat Form and Physical Form	
PAN	<p>Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders)</p> <ul style="list-style-type: none"> <li>• Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.</li> </ul>
Dividend Bank Details <b>OR</b> Date of Birth (DOB)	<p>Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login.</p> <ul style="list-style-type: none"> <li>• If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (v).</li> </ul>

- (vi) After entering these details appropriately, click on "SUBMIT" tab.
- (vii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (viii) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (ix) Click on the EVSN for the relevant <Company Name> on which you choose to vote.
- (x) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xi) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- (xii) After selecting the resolution, you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xiii) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xiv) You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page.
- (xv) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xvi) **Facility for Non – Individual Shareholders and Custodians –Remote Voting**
- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to [www.evotingindia.com](http://www.evotingindia.com) and register themselves in the "Corporates" module.
  - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com).
  - After receiving the login details a Compliance User should be created using the admin login and password.

The Compliance User would be able to link the account(s) for which they wish to vote on.

- The list of accounts linked in the login should be mailed to [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com) and on approval of the accounts they would be able to cast their vote.
- A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- Alternatively, Non-Individual shareholders are required to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address viz; [secretarial@integraengineering.in](mailto:secretarial@integraengineering.in), if they have voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same.

**INSTRUCTIONS FOR SHAREHOLDERS ATTENDING THE AGM THROUGH VC/OAVM & E-VOTING DURING MEETING ARE AS UNDER:**

1. The procedure for attending meeting & e-Voting on the day of the AGM is same as the instructions mentioned above for Remote e-voting.
2. The link for VC/OAVM to attend meeting will be available where the EVSN of Company will be displayed after successful login as per the instructions mentioned above for Remote e-voting.
3. Shareholders who have voted through Remote e-Voting will be eligible to attend the meeting. However, they will not be eligible to vote at the AGM.
4. Shareholders are encouraged to join the Meeting through Laptops / IPads for better experience.
5. Further shareholders will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
6. Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to Fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
7. Shareholders who would like to express their views/ask questions during the meeting may register themselves as a speaker by sending their request in advance at least **10 days prior to meeting** mentioning their name, demat account number/folio number, email id, mobile number at (company email id). The shareholders who do not wish to speak during the AGM but have queries may send their

queries in advance **10 days prior to meeting mentioning** their name, demat account number/folio number, email id, mobile number at [secretarial@integraengineering.in](mailto:secretarial@integraengineering.in). These queries will be replied to by the company suitably by email.

8. Those shareholders who have registered themselves as a speaker will only be allowed to express their views/ask questions during the meeting.
9. Only those shareholders, who are present in the AGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system available during the AGM.
10. If any Votes are cast by the shareholders through the e-voting available during the AGM and if the same shareholders have not participated in the meeting through VC/OAVM facility, then the votes cast by such shareholders shall be considered invalid as the facility of e-voting during the meeting is available only to the shareholders attending the meeting.

**PROCESS FOR THOSE SHAREHOLDERS WHOSE EMAIL/MOBILE NO. ARE NOT REGISTERED WITH THE COMPANY / DEPOSITORIES.**

1. For Physical shareholders- please provide necessary details like Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self-attested

scanned copy of PAN card), AADHAR (self-attested scanned copy of Aadhar Card) by email to **Company/RTA email id.**

- 17. Details of establishment of vigil mechanism for directors and employees**
- The Company has framed **vigil mechanism** in terms of The Companies Act, 2013 read with Regulation 22 of LODR and the same may be accessed on the Company's website. Further, every employee of the Company can directly report to the Chairman of the Audit Committee when she / he becomes aware of any actual or possible violation of the Code or an event of misconduct, act of misdemeanor or act not in the Company's interest.
- 18. Particulars of loans given, guarantees given, investments made and securities provided**
- Details of loans, gaurantees and investments are within the limit of the provisions of Section 186 of The Act as appearing in the Note 7 and Note 15 to the financial statements.
- 19. Particulars of contracts or arrangements with related parties**
- Particulars of contracts or arrangements with related parties in Form AOC-2 are enclosed as per **Annexure-C**.
- 20. Managerial Remuneration**
- Disclosures pursuant to Section 197(12) of The Companies Act, 2013 read with Rule 5(1), 5(2) and 5(3) of The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 are enclosed herewith as per **Annexure-D**.
- 21. Auditors**
- **Statutory Auditors**
- M/s. CNK & Associates LLP, Chartered Accountants, have been appointed as Statutory Auditors of the Company from the conclusion of the 38th Annual General Meeting to hold office upto the conclusion of 43rd Annual General Meeting.
- **Internal Auditors**
- M/s. Shah and Shah Associates, Chartered Accountants, Vadodara have been appointed as Internal Auditors of the Company in terms of Section 138 of The Companies Act, 2013 and rules framed thereunder, for the Financial Year 2021-22 by the Board of Directors, upon recommendation of the Audit Committee.
- **Secretarial Auditors**
- M/s. Devesh Pathak & Associates, Practising Company Secretaries, Vadodara, Gujarat, were appointed as Secretarial Auditors, to carry out Secretarial Audit of the Company as per provisions of Section 204 of The Companies Act, 2013 and issue of Annual Secretarial Compliance certificate pursuant to Regulation 24A of LODR. The Secretarial Audit Report and Annual Secretarial Compliance Report have been annexed to this Report as per Annual **Annexure-E & F** respectively.
- **Explanation or Comments on disqualifications, reservations, adverse remarks or disclaimers in the Auditor's Reports;**
- Neither the Statutory Auditors nor the Secretarial Auditors of the Company in their respective draft reports, have made any qualifications, reservations, adverse remarks or disclaimers. Accordingly, no explanations/ comments thereon are required to be furnished.
- 22. Corporate Governance Report**
- The Company has been following the principles and practices of good Corporate Governance and has ensured compliance of the requirements stipulated under Regulation 34 LODR.
- A detailed report on Corporate Governance as required under Regulation 34 of LODR is appended alongwith the Corporate Governance Report, issued by M/s. Devesh Pathak & Associates, Practising Company Secretaries, Vadodara, Gujarat, the Secretarial Auditors, confirming the compliance of conditions on Corporate Governance forming part of the Board's Report as per **Annexure-G**.
- 23. Management Discussion and Analysis Report**
- A report on Management Discussion and Analysis, as required in terms of Regulation 34(2) of LODR forms part of this Report. It

deals with the Business Operations and Financial Performance, Research & Development Expansion & Diversification, Risk Management, Marketing Strategy, Safety & Environment, Human Resource Development, etc. enclosed as per Annexure-H.

#### 24. Risk management

The Management has put in place adequate and effective system and man power for the purposes of risk management. In the opinion of the Board, there are no risks which would threaten the existence of the Company.

#### 25. Directors' Responsibility Statement

In terms of Section 134(3)(c) read with 134(5) of the Act, your Directors would like to state

- a) that in the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- b) that the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit and loss of the Company for that period;
- c) that the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) that the directors had prepared the annual accounts on a going concern basis;
- e) that the directors had laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively and
- f) that the directors had devised proper systems to ensure/ compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

#### 26. Disclosure under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

The Company has zero tolerance towards sexual harassment at the workplace and towards this end, has adopted a policy in line with provisions of Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and rules framed thereunder. All employees (permanent, contractual, temporary, trainees) are covered under the said policy. Internal Complaints Committee has also been set up to redress complaints received on sexual harassment.

During the year under review, no complaint was reported to the Board and accordingly, the Company has no information to report on filing and disposal of the cases pursuant to Section 22 of the said Act.

#### 27. Directors Training & Familiarization

The Directors are regularly informed during the meetings of the Board and the Committees, of the activities of the Company, its operations and issues faced by the Engineering Industry. Considering the long association of the Directors with the Company and their seniority and expertise in their respective areas of specialisation and knowledge of the engineering industry, their training and familiarization were conducted in the below mentioned areas:

- The Roles, Rights, Responsibilities and Duties of Independent Directors
- Business Development Strategy and Plans
- Changes brought in by the introduction of the Securities Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015
- Changes in the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

#### 28. Audit Committee

The Audit Committee of the Board consists of Four Independent and One Non-Executive Director.

The composition, role, terms of reference as well as power of the Audit Committee are in accordance with the provisions of Regulation 18 of LODR and Section 177 of The Act and Rules framed thereunder.

The details of all related party transactions are placed periodically before the Audit Committee. All the recommendations made by the Audit Committee were accepted by the Board. The Company has in place a Vigil Mechanism; details of which are available on the Company's website.

The details relating to the same are given in the report on Corporate Governance forming part of this Report.

#### 29. Nomination and Remuneration Policy

Your Board has adopted a Nomination and Remuneration Policy as required by Section 178 of The Act, The Policy provides for the appointment and removal of Directors, Key Managerial Personnel and Senior Management employees and their remuneration. The terms of reference of the Nomination and Remuneration Committee are given in the Report on Corporate Governance under the section "Nomination and Remuneration Committee".

#### 30. Nomination and Remuneration Committee

In compliance with Section 178 of The Act, Your Company has in place a "Nomination and Remuneration Committee".

The powers, role and terms of reference of the Nomination and Remuneration Committee cover the areas as contemplated under Regulation 19 of LODR and Section 178 of The Act, and Rules and Regulations, framed thereunder, besides other terms as may be referred by the Board of Directors. The terms of reference of the Nomination and Remuneration Committee, number and dates of meeting held, attendance of the Directors and remuneration paid to them are given separately in the attached Corporate Governance Report under the section "Committees of the Board".

**31. Maintenance of Cost Records**

The Company was required to maintain Cost Records as specified by the Central Government pursuant to Section 148(1) of the Act and the Company has made and maintained accounts and records accordingly.

**32. Secretarial Standards**

In terms of clause no. 9 of revised SS-I (Revised Secretarial Standards on Meeting of Board of Directors effective from 01.10.2017), your Directors state that the Company has been compliant of applicable Secretarial Standards during the year under review.

**33. No application/proceeding under IBC**

Neither any application is made nor any proceeding is pending under the Insolvency and Bankruptcy Code, 2016 (IBC) during the year under review and accordingly the Company has no information to offer in the regard.

**34. No one time settlement**

The Company has not undergone any one time settlement and accordingly the Company has no information to offer in respect of difference between the amount of the valuation at the time of one time settlement and the valuation date while taking loan, if any.

**35. Acknowledgements**

The Directors express their gratitude to INTEGRA Holding AG, Switzerland for its continuous support and thank the Company's employees, customers, vendors and investors.

A special thank goes to the commendable performance by the Government of India, Government of various states in India, Government of various countries and concerned departments.

The Directors regret the loss of life due to COVID-19 pandemic and are deeply grateful and have immense respect for each and every person who risked their life and safety to fight this pandemic.

**SECRETARIAL AUDIT REPORT**

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2021

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies  
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,  
The Members,  
INTEGRA ENGINEERING INDIA LIMITED  
Post Box No.55, Chandrapura village,  
Taluka Halol, Dist. Panchmahals,  
Gujarat-389350.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by the Company. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon. Based on our verification (electronically only in view of COVID-19 advisories) of the INTEGRA ENGINEERING INDIA LIMITED books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined (electronically only in view of COVID-19 advisories) the books, papers, minutes books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2021 according to the provisions of:

- (i) The Companies Act, 2013 ('the Act') and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992; [Presently: The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015];
- (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; [Presently: The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018];
- (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; [Presently: The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014];
- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 [Presently: Securities and Exchange Board of India (Buy Back of Securities) Regulations, 2018].
- (vi) Having regard to the products and processes of the Company as also having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof on test check basis, we further report that the Company has complied with the following laws applicable specifically to the Company:
  - (a) Water (Prevention and Control of Pollution) Act, 1974
  - (b) Air (Prevention and Control of Pollution) Act, 1981
  - (c) Hazardous Waste (Management and Handling) Rules, 1989

We have also examined compliance with the applicable clauses of the following:

- i. (Mandatory) Secretarial Standards issued by The Institute of Company Secretaries of India.
- ii. The Listing Agreements entered into by the Company with BSE Ltd. [including Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('LODR').

**We further report that**

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report (by way of information) that during the audit period, the Company has:

- (a) not issued any securities during the period under review and accordingly
- The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
  - The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008
- were not applicable during the audit period under review.
- (b) neither got delisted Equity Shares nor bought back any security of the Company and accordingly
- The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 and

- The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 were not applicable during the audit period under review
- (c) Passed Special Resolutions at its 38th Annual General Meeting held on 12th August, 2020:
- authorising the Board of Directors to borrow from Rs. 20 Crores to Rs. 30 Crores pursuant to Section 180(1)(c) of the Companies Act, 2013;
  - authorising the Board of Directors to create mortgage/charge on the assets of the Company pursuant to Section 180(1)(a) of the Companies Act, 2013.
- (d) inform us that renewal of Registration of Mr. Bhargav Patel as an Independent Director could not be made with Indian Institute of Corporate Affairs (IICA) due to system constrains.

Ref: Secretarial Audit Report dated 26th May, 2021 pursuant to Section 204(1) of the Companies Act, 2013 read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

1. Maintenance of secretarial records is the responsibility of management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. Consequent to the COVID-19 Advisories, we have not been able to verify the books, papers, minute books, forms and returns filed and other records maintained by the Company in physical form at its Registered Office. Accordingly, we have only examined the electronically available soft copies of the minutes, forms and returns filed and other records provided by the Company for the financial year ended on 31st March, 2021.
3. We have followed the audit practices and the processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on the test basis to ensure that correct facts are reflected in secretarial records. We believe that the process and the practices we followed provided reasonable basis for our opinion.
4. We have not verified the correctness and appropriateness

of financial records and books of Accounts of the Company and have relied upon the reports of designated professionals including Statutory Auditors for the purpose and Management Representation provided by the Company on the matter.

5. The compliance of the provisions of corporate and other applicable laws, rules, regulations, standards, is the responsibility of management. Our examination was limited to the verification of procedures on test basis.
6. Draft Secretarial Audit Report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

### Report on Corporate Governance

[Pursuant to Regulation 34 read with Schedule V of The Securities & Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015]

As a Corporate citizen, our business fosters a culture of ethical behavior and fair disclosures, which aims to build trust of our Stakeholders. The Company has established systems and procedures to ensure that its Board is well-informed and well-equipped to fulfill its overall responsibilities and to provide the management with the strategic direction needed to create long-term shareholders value.

Good corporate governance ensures corporate success and economic growth. Strong corporate governance maintains investors' confidence, as a result of which, the Company can raise capital efficiently and effectively. The Company's governance framework is based on the appropriate composition and size of the Board with each member having his own expertise in his respective domains. It also includes timely disclosure of all material information to Stakeholders.

As a part of its growth strategy, the Company believes in adopting the 'best practices' in the area of Corporate Governance across various geographies. Effective and transparent corporate governance guarantees that your Company is managed and monitored in a responsible manner to focus on value creation.

#### Company's Philosophy on Code of Governance:

Corporate governance philosophy of the Company is based on appropriate size and composition of the Board with each Director bringing in key expertise in different areas, systematic information flow to the Directors to enable them to effectively discharge their fiduciary duties, ethical business conduct by the management and employees, appropriate systems and processes for internal controls on all operations, risk management and financial reporting and timely and accurate disclosure of all material operational and financial information to the stakeholders.

The Company has adopted a Code of Conduct for its employees including Board of directors for further strengthening the Corporate

Governance Philosophy of the Company. This code is available on the website of the Company.

The Company is fully committed to practice sound Corporate Governance and uphold the highest standards in conducting business. We believe that an active, well-informed and independent Board is necessary to ensure the highest standards of Corporate Governance. A report on the matters and the practices followed by the Company is detailed herein below:

#### 1. Board of Directors:

The Board of Directors, along with its Committees, provides leadership and guidance to the Company's management and directs, supervises and controls the performance of the Company. The Board acts with autonomy and independence in exercising its strategic supervision, discharging its fiduciary responsibilities and ensuring that the management observes the highest standards of ethics, transparency and disclosure.

As on 31st March, 2021, the Board of Directors of the Company ("Board") consists of Non-Executive Directors including one woman director and Independent Directors. The Board has six members comprising of two Non-Executive Directors including Chairperson and four Independent Directors at the end of the financial year 2020-21 in conformity with Regulation 17 of The Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('LODR').

All the Directors have been informing to your Company periodically about their Directorship and membership on the Board/Committees of the other Companies. As per disclosure received from Director(s), none of the Director(s) holds membership in more than ten (10) Committees and Chairmanship in more than five (5) Committees.

Independent Directors have submitted their declaration of Independence and in the opinion of the Board, Independent Directors fulfil the conditions specified in the regulations and are independent of the management.

The details of the composition, nature of Directorship, the number of meetings attended and the directorships in other Companies as of 31st March, 2021 are detailed herein below:

Mrs. Corinne Ruckstuhl	Non-Executive Director	Member	1/1	✓
Mr. Shalin Divatia	Independent Director	Member	1/1	✓

During the financial year 2020-21, Nomination and Remuneration Committee met once on 08.06.20.

Mr. Adrian Oehler stepped down from the Nomination and Remuneration Committee on 08.06.20.

**Note:** In the absence of Mr. Bhargav Patel, the Nomination and Remuneration Committee meeting held on 08.06.20 was chaired by Mr. Shalin Divatia.

**Nomination and Remuneration policy:**

The Board has approved a Nomination and Remuneration Policy of the Company. This Policy is in compliance with Section 178 of The Companies Act, 2013, read with the applicable rules thereto and Regulation 19 read with , Part D of Schedule II of Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('LODR')

**Performance Evaluation Criteria of selection of Independent Directors:**

- a. The Independent Directors shall be of high ethical standards and integrity with relevant expertise, experience and particular skills that will complement Board effectiveness.
- b. In case of appointment of Independent Directors, the Nomination and Remuneration Committee shall determine whether the appointee fulfils the criteria of independence, in accordance with the provisions stipulated under The Companies Act, 2013 as well as LODR.
- c. To aid determination, every Independent Director shall, on appointment and subsequently on an annual basis submit to the Nomination and Remuneration Committee a declaration on his/her independence.

- d. The Nomination and Remuneration Committee shall consider the following criteria while recommending to the Board, the candidature for appointment as Director:
- Professional qualification, appropriate experience and the ability to exercise sound business judgment;
  - An ability and willingness to challenge and probe;
  - Strong interpersonal skills and a willingness to devote the required time;
  - A position of leadership or prominence in a specified field.
- e. The Nomination and Remuneration Committee shall ensure that the Director to be appointed is not disqualified for appointment under Section 164 of The Companies Act, 2013 ('the Act') or otherwise as may be necessary.

**Criteria for determining the followings:**

**a. Qualifications for appointment of Directors (including Independent Directors):**

- Persons of eminence, standing and knowledge with significant achievements in business, professions and/or public service;
- Their financial or business literacy/skills;
- Their industry experience;
- Other appropriate qualification/experience to meet the objectives of the Company;
- In compliance with The Act read with rules framed thereunder and LODR;
- The Nomination and Remuneration Committee shall have discretion to consider and fix any other criteria or norms for selection of the most suitable candidate(s).

**b. Positive attributes of Directors (including Independent Directors):**

- Directors are to demonstrate integrity, credibility, trustworthiness, ability to handle conflict constructively and the willingness to address issues proactively;
- Actively update their knowledge and skills with the latest developments in the industry, market conditions and applicable legal provisions;
- Willingness to devote sufficient time and attention to the Company's business and discharge their responsibilities;
- Ability to develop a good working relationship with other Board members and contribute to the Board's working relationship with the senior management of the Company;
- To act within their authority, assist in protecting the legitimate interests of the Company, its shareholders and

employees;

**Criteria for appointment of KMP/Senior Management:**

- To possess the required qualifications, experience, skills & expertise to effectively discharge their duties and responsibilities;
- To practice and encourage professionalism and transparent working environment;
- To build teams and carry the team members along for achieving the goals/objectives and corporate mission;
- To follow strictly the code of conduct of the Company.

**Term of Directors as well as Key Managerial Personnel (KMPs):**

The Term of the Directors including Managing Director / Whole time Director / Independent Directors/KMPs shall be in consonance with the provisions of the Act and LODR.

**Details of Remuneration to all the Directors:**

#### 4. Disclosures:

##### Related Party Transactions:

During the financial year under review, your Company had transactions / contracts / agreements that were classified as "Related Party Transactions" under provisions of The Act and The Rules framed thereunder. These contracts/arrangements/agreements have been in the ordinary course of business, to facilitate the business of the Company and have been approved by the Audit Committee and Board of Directors. Suitable disclosures as required under Accounting Standards (AS-18) have been made in the Notes to the financial statements. The Company has also formulated a Related Party Transactions Policy which is available on the website of the Company on [http://integraengineering.in/userfiles/investorfile/Policy\\_on\\_RPT\\_IELL\\_-\\_01\\_04\\_19.pdf](http://integraengineering.in/userfiles/investorfile/Policy_on_RPT_IELL_-_01_04_19.pdf). There are no materially significant transactions with the related parties' viz. promoters, directors or the management or their relatives or subsidiaries/associate concerns etc. that had potential conflict with the Company's interest.

##### Vigil Mechanism :

The Company is committed to the high standards of corporate governance and stakeholders responsibility. The Company has a Whistleblower Policy (WB Policy) that provides a secured avenue to directors, employees, business associates and all other stakeholders of the Company for raising their concerns against the unethical practices, if any. The WB Policy ensures that strict confidentiality is maintained whilst dealing with concerns and also that no discrimination will be meted out to any person for a genuinely raised concern.

No personnel have been denied access to the Chairman of the Audit Committee, for making complaint on any integrity issue.

The Company has zero tolerance towards sexual harassment at the workplace and towards this end, has adopted a policy in line with provisions of Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and rules framed thereunder. All employees (permanent, contractual, temporary, trainees) are covered under the said policy. Internal Complaints Committee has also been set up to redress complaints received on sexual harassment.

- Number of complaints filed during the financial year - Nil
- Number of complaints disposed of during the financial year - Nil
- Number of complaints pending as on end of the financial year - Nil

#### 5. Means of Communications

The website of the Company <http://www.integraengineering.in/> is the primary source of information about the Company to the public. The Company maintains a functional website containing the basic details of the Company in terms of Regulation 46 of LODR. The quarterly, half-yearly and annual results of the Company are published in English (Indian Express and Business Standard) and Gujarati (Loksatta and Vadodara Samachar) newspapers as per the

requirements of Regulation 47 of LODR. The results are available on the website of the Company.

There were no presentations made to the institutional investors or analysts during the financial year.

To,  
The Members of  
**Integra Engineering India Limited**

We have examined the compliance of conditions of Corporate Governance of INTEGRA ENGINEERING INDIA LIMITED ("the Company") for the year ended 31st March, 2021, as stipulated in Regulation 15 and other relevant regulations of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Listing Regulations') electronically only in view of COVID-19 Advisories.

The compliance of conditions of Corporate Governance is responsibility of the Management. Our examination was limited to review of the procedures and implementation thereof, adopted by the Company for ensuring compliance with conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to our examination of the relevant records as aforesaid and the explanations given to us and the representations made by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Regulation 15 and other relevant regulations of the Listing Regulations above, during the year ended 31st March, 2021 as applicable. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

## Annexure H

### Management Discussion and Analysis Report

#### Overview

Integra Engineering India Limited commenced its operations in 1987. Since then, the company expanded its operations adding products as well as manufacturing facilities. Spread over 26 acres and two locations, the current set up offers a unique blend of products to its core sectors in transport and power. The products in transport primarily cater to Indian Railways, both in Railway signaling & control and rolling stock. In addition to that, the company manufactures standard industrial enclosures for various segments.

The product range includes electro-mechanical relays, cable harnesses, wiring plates, fuse auto change over systems and a variety of mechanical enclosures used in trains and locomotives. In the financial year Research Design and Standards Organisation (RDSO) approved the company's new LED signal which has been added to the basket of products. In addition, your company has an entry in export market for the transport sector. Moreover, the latest version of I-panel as an alternate to existing products is gradually getting market acceptance.

The company offers specialized services to niche markets and has been able to promptly respond to market needs by developing products that meet specific customer requirements.

#### Industry structure and developments

To boost infrastructure, finance minister Nirmala Sitharaman announced 1.1 lakh crore allocation for Indian Railways in the Union Budget 2021. Of this, 1.07 lakh crore would be for capital expenditure, announced finance minister.

In Signaling & Telecommunication, there is a remarkable increase of 84.43% fund allocation in the current financial year than that of the last year i.e. 2020-21.

In the present financial year, Rs. 135.06 crore (PY Rs. 73.23 crore) have been allocated for Signaling & Telecommunication works to ensure even better safety and smooth train running.

In the present financial year, Rs. 75.33 crore have been allocated for Rolling Stock.

#### Government Initiatives

Indian Railways prepared a strategic National Rail Plan for India 2030, to reduce the logistic cost for industry by continuing to work on "Make in India" program. Metro lite and Metro Neo would be introduced as new technologies to cater to tier II and tier III cities. The plan focuses of safety, quality, and clean transport.

After the successful start of operation of Dedicated Freight Corridors (DFC), government plans to take up future DFC projects across the country. By December 2023, 100% electrification of broad-gauge route is expected.

All those initiatives offer new opportunities to the company.

#### Opportunity & Threats

With the continuation of major infrastructure policies and programs of the government, the focus will remain on augmenting and

strengthening the core sectors. The company will continue to capitalize on newer opportunities by offering its products and services to existing and new sectors to its current and new customers. This is in line with its drive to be the preferred choice for customers.

Measure taken so far as well as the ongoing measures enable the company to increase its competitiveness and offer wider range of products and services. The strategy has been to continue the focus on profitable growth through new product / service offerings and operational excellence.

2020-21 saw an unprecedented effect of Covid-19 pandemic with the lock down and the eventual closure of manufacturing facility for 62 days in the months of March, April and May 2020. As a result of the pandemic, the company has had its share of the downside of the economy. The pandemic has adversely affected the performance of the company in 2020-21 and may also in 2021-22 still affect the company in an unknown extent.

Despite the pandemic 2020-21, the company has been able to progress well with several projects in the planned manner building on opportunities it has been working on for some time.

#### Segment wise or products wise performance :

The company continues to consolidate its presence in its business sectors – specialized fabrication of products for electrical, power and signaling industry. During the F.Y. 2020-21, total turnover of the company was ₹ 630,058 ('000) compared to the previous F.Y. 2019-20, a total turnover of ₹ 629,178 ('000). The Company continues its drive to expand its product offerings for local markets and has made inroads in export markets as well.

#### Outlook

The current pandemic situation continues to cast its shadow on global economy. The measures taken on local / state / national level include temporary / voluntary / mandatory closures of public places and public transport. The lock down of April and May 2020 was a clear case of national priority of saving human lives over economic activity. The current year may also warrant similar decisions or measures.

The pandemic has affected companies across all sectors ranging from MSME's to large corporates causing a substantial dent in their top line as well as bottom lines. The Reserve Bank of India has also indicated a highly uncertain future explaining various mixed signals from various sectors of the economy.

Your Company is not an exception to the current scenario and has also been affected. The results for 2020-21 have been lower than expected. However, the management is hopeful that in due course the country will either overcome the pandemic or come to terms in the new normal.

This could lead to a situation of revival of the economy – albeit at a pace difficult to forecast. Hoping that the infrastructure and its core sectors will bounce back to provide the much-needed stimulus to the economy, this could lead to a situation of demand exceeding supply in core sectors. Your Company is working to be prepared to meet the demands in such a situation.

The Company is confident of growth in the targeted sectors and continues working on maintaining its position as a leader in supply for rolling stock manufacturers of Indian Railways and introduce new

products. The sheet metal fabrication expects to grow by focusing on railway and metro sectors. In its endeavor to consolidate its market presence, the Company will also promote its Railway signaling products and continue to work towards the approval of new products. The company has added LED signal for signaling application as a new product after getting the approval from RDSO.

In addition, its planned to capitalize on the new concept of "I-panel" enclosures by catering to specific requirement of industries like IT, Automation, Instrumentation and Electrical.

#### Risks & Concerns

In the current situation, the extended period of the pandemic is a major risk, and the company will continue to work closely with stake holders.

With a few states opting for lock downs in stages to prevent the spread of virus and aggravation of pandemic, industry may find it difficult in maintaining sustainability leading to substantial losses of revenue, profits and employment.

#### Internal Control Systems and their adequacy:

In FY 2020-21, the company has continued to work on a proper and adequate system of Internal Control commensurate with its size and the nature of its operations to ensure that all assets are safeguarded and protected against loss from un-authorized use or disposition and those transactions are authorised, recorded and reported correctly. The new system implementation has been successfully carried out and upgradation, as required, will continue in FY 2021-22. This enabled better and more effective monitoring and control of company operations and will further strengthen the systems.

The Audit of Internal control system is carried out by an Independent firm of Chartered Accountants on a half-yearly basis and corrective

actions are taken where shortcomings are identified. The Internal Auditors submit their half-yearly reports to the Audit Committee and the Board of Directors. Periodical MIS Reports are submitted to the Audit Committee and the Board for review. All the fixed assets of the company are physically examined and recorded at regular intervals.

The Board of Directors on the recommendation of the Audit Committee re-appointed M/s. Shah & Shah Associates, Chartered Accountants, Vadodara as Internal Auditors of the Company for the financial year 2020-21.

#### Discussion on financial performance with respect to operational performance

Your Company has achieved turnover of ₹ 630,058 ('000) for the financial year 2020-21 against the Company's turnover of ₹ 629,178 ('000) for the previous financial year 2019-20. Further, Company attained profit after tax of ₹ 54,064 ('000) in the F.Y. 2020-21.

#### Material developments in Human resources/Industrial relations:

The immediate past and current situation reiterates the company's belief that human resources are its most valuable assets. The Company continues to evolve policies and processes to cater to the dynamic requirement to focus, attract and retain the best talent in the industry. Continuous efforts are made to invest in the resources – infrastructure, technological and managerial. Keeping in mind the business challenges, the company invests in training and development of its team to be a learning organization that supports operational excellence, continuous improvement, and rising standards of performance at all levels. With this in mind, the Company reviews the HR Policies from time to time as well as encourages employee engagement activities, employee benefits, trainings etc.

**INDEPENDENT AUDITOR'S REPORT**

**To the Members of Integra Engineering India Limited**  
**Report on the Audit of the Standalone Financial Statements**

**Opinion**

We have audited the accompanying standalone financial statements of **Integra Engineering India Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the standalone financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021 and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of these standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	How our audit addressed the matter
1	<p><b>Evaluation of uncertain tax positions and litigations</b></p> <p>The company has on-going legal matters relating to direct tax, Indirect tax and other matters which requires significant management judgement to determine the likely outcome.</p> <p>(Refer to note 41 to the standalone financial statements)</p>	<p>In assessing the potential exposure of the on-going litigation, we have performed the following procedures:</p> <ul style="list-style-type: none"> <li>• Obtaining from the management details of all completed / pending tax assessments and other litigations upto 31st March, 2021;</li> <li>• Understanding the status of pending tax demands and potential liability for the other pending litigations;</li> <li>• Involved our internal tax teams and discussing with the company's legal advisors to confirm the management's underlying assumptions and judgement for determining the potential liability and provisions and the possible outcome of the litigation.</li> </ul>

**Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Corporate Governance Report and Shareholder's Information but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair

view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i)

of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matters or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the

adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b. in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. the Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
  - d. in our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act;
  - e. on the basis of the written representations received from the directors as on 31st March, 2021, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021, from being appointed as a director in terms of Section 164(2) of the Act;
  - f. with respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B";
  - g. with respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, the Company has neither paid nor provided for, any remuneration to its directors during the year; and
  - h. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. the Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 41 to the standalone financial statements;
    - ii. the Company did not have any long-term contracts including derivative contracts as at 31st March, 2021;

- iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv.
  - i. The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - ii. The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
  - iii. Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
- v. There is no dividend declared or paid during the year by the Company.

**ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT**

The annexure referred to in our Independent Auditor's Report to the members of **Integra Engineering India Limited** ("the Company") on the Standalone financial statements for the year ended 31st March, 2021, we report that:

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets (Property, Plant and Equipments).
- (b) The Company has a regular program of physical verification of fixed assets which, in our opinion is reasonable. The assets which were to be covered as per the said program have been physically verified by the management during the year. In our opinion and According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties of the Company are held in the name of the Company.
- ii. The inventories of finished goods, stores, spare part and raw materials have been physically verified by the management. In our opinion the frequency of verification is reasonable. On the basis of our examination of the records of inventory, we are of the opinion that the discrepancies noticed on verification between the physical stocks and book records were not material and have been properly dealt with in the books of account.
- iii. The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013 and therefore, reporting under clause (iii) (a) to clause (iii) (c) of the Order is not applicable to the Company.
- iv. The Company has not granted any loans or provided any guarantees or security to the parties covered under section 185 of the Act. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of section 186 of the Act in respect of investments made.
- v. According to the information and explanations given to us, the Company has not accepted any deposits during the year from the public within the meaning of provisions of section 73 to 76 of the Act, and the rules framed thereunder or under the directives issued by the Reserve Bank of India and therefore, reporting under clause (v) of the Order is not applicable to the Company.
- vi. We have broadly reviewed the records maintained by the Company pursuant to the rules prescribed by the Central Government for maintenance of cost records under sub-section (1) of section 148 of the Companies Act, 2013 and

are of the opinion that prima facie the prescribed records have been made and maintained. We have, however, not made a detailed examination of the records with a view to determining whether they are accurate or complete.

- vii. (a) According to the information and explanations given to us, the Company has been regular in depositing with appropriate authorities undisputed statutory dues, including provident fund, employee's state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, goods and service tax, cess and any other statutory dues applicable to it. Further, no undisputed amounts payable in respect of income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, goods and service tax, cess and other statutory dues were in arrears, as at 31st March, 2021 for a period of more than six months from the date they become payable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no disputed dues in respect of Sales tax, Service tax, duty of customs, goods and service tax and value added tax which have not been deposited. According to the information and explanations given to us, the following are the particulars of Income tax and Service tax as at 31st March, 2021 which have not been deposited on account of dispute:

Name of the Statute	Nature of Dues	Amount (₹'000)	Period to which the amount relates	Forum where the dispute is pending
The Income Tax Act, 1961	Income Tax	530	A.Y. 2013-14	Income tax Appellate Tribunal
		2537	A.Y. 2014-15	Commissioner of Income Tax (Appeal)
		9849	A.Y. 2007-08	Commissioner of Income Tax (Appeal)
The Finance Act, 1944	Service Tax	12,113	2008-09 to 2014-15	Custom, Excise and Service Tax Appellate Tribunal
The Finance Act, 1944	Service Tax	875	Dec-16 to June 2017	Assistant Commissioner of Sales Tax

- viii. In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of dues to banks. The Company does not have any loans or borrowings from any financial institution, government or by way of debentures.
- ix. The Company has not raised any money by way of initial public offer or further public offer (including debt instrument) or term loans during the year and therefore, reporting under clause (ix) of the Order is not applicable to the Company.
- x. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and

according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management of the Company.

- xi. According to the information and explanations given to us, the Company has not paid or provided any managerial remuneration during the year and therefore, reporting under clause (xi) of the Order is not applicable to the Company.
- xii. The Company is not a Nidhi Company and therefore, reporting under clause (xii) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and the details of such transactions have been disclosed in the financial statements as required by the applicable Indian accounting standards.
- xiv. According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year and therefore, reporting under clause (xiv) of the Order is not applicable to the Company.
- xv. In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with directors and therefore, reporting under clause (xv) of the Order is not applicable to the Company.
- xvi. In our opinion and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

**ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Integra Engineering India Limited** ("the Company") as of 31st March, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of internal financial controls with reference to standalone financial statements of the company that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about internal financial controls with reference to standalone financial statements of the company were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to standalone financial statements of the company and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of

material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or

improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an internal financial controls with reference to standalone financial statements of the company and such internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Integra Engineering India Limited**
**Notes to the Standalone Financial Statements for the year ended 31st March, 2021**
**1. Corporate information**

INTEGRA Engineering India Limited ('the Company') is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956 (CIN: L29199GJ1981PLC028741) having its registered office at Post Box No 55, Chandrapura Village, Taluka Halol, Panchmahal. Its shares are listed on Bombay Stock Exchange in India. The Company is engaged in manufacturing of machineries and components.

**2. Significant accounting policies**
**2.1. Statement of compliance**

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015 (as amended). The financial statements have also been prepared in accordance with the relevant presentation requirements of the Companies Act, 2013.

**2.2. Basis of preparation**

The Financial Statements have been prepared on the historical cost convention on accrual basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

As the operating cycle cannot be identified in normal course due to the special nature of the industry, the same has been assumed to have duration of 12 months. Accordingly, all assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Ind AS-1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013. Further trade receivables, inventories and trade payables are assumed to be current as per para 68 and 70 of Ind AS-1.

The Financial Statements are presented in Indian Rupees and all values are rounded off to the nearest thousand rupees.

**Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

- (a) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (b) Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1, for the asset or liability.
- (c) Level 3 inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period

**2.3. Property Plant and Equipment (PPE)**

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the Balance Sheet at cost less accumulated depreciation and impairment losses, if any. Freehold land is not depreciated.

Property, Plant and Equipment in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss.

The cost of an asset comprises its purchase price or its construction cost (net of applicable tax credits) and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of PPE when completed and ready for intended use. Parts of an item of PPE having different useful lives and significant value and subsequent expenditure on Property, Plant and Equipment arising on account of capital improvement or other factors are accounted for as separate components. Capital work in progress includes the cost of PPE that are not yet ready for the intended use.

Depreciation of these PPE commences when the assets are ready for their intended use.

Depreciation is provided on the cost of PPE (other than Freehold Land, properties under construction) less their

residual values, using the straight-line method over the useful life of PPE as stated in the Schedule II to the Companies Act, 2013 or based on technical assessment by the Company. Estimated useful lives of these assets are as under:

Description	Years
Building	30
Plant & Machinery	15
Computers	3
Furniture and Fixtures	10
Vehicles	8

The estimated useful lives and residual values are reviewed on an annual basis and if necessary, changes in estimates are accounted for prospectively.

Depreciation on additions/deletions to PPE during the year is provided for on a pro-rata basis with reference to the date of additions/deletions.

Depreciation on subsequent expenditure on PPE arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life.

An item of PPE is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

#### 2.4. Intangible Assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives not exceeding ten years from the date of capitalisation. The estimated useful life is reviewed at the end of each reporting period and the effect of any changes in estimate being accounted for prospectively.

Intangible assets are derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset, and recognised in the Statement of Profit and Loss when the asset is derecognised.

#### 2.5. Investment Property

Since there is no change in the functional currency, the Company has elected to continue with the carrying value for all of its investment property as recognised in its Indian GAAP financial statements as deemed cost at the transition date, viz., 1st April, 2016.

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The Company depreciates building component of investment property over 30 years from the date of original purchase.

Though the Company measures investment property using cost-based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by an accredited external independent valuer applying a valuation model recommended by the International Valuation Standards Committee.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in statement of profit or loss in the period of derecognition.

#### 2.6. Non-Current Assets held for Sale

The Company classifies Non-Current Assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use of the assets and actions required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision to sell will be withdrawn. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification.

Non-current assets or disposal groups classified as held for sale are measured at the lower of carrying amount and fair value less costs to sell.

Property, Plant and Equipment and intangible assets are not depreciated or amortized once classified as held for sale.

#### 2.7 Impairment of tangible assets and intangible assets

The Company reviews the carrying amount of its tangible assets (Property, Plant and Equipment including Capital Works in Progress) of a "Cash Generating Unit" (CGU) at the end of each reporting period to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present

value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss.

An assessment is made at the end of each reporting period to see if there are any indications that impairment losses recognized earlier may no longer exist or may have decreased. The impairment loss is reversed, if there has been a change in the estimates used to determine the asset's recoverable amount since the previous impairment loss was recognized. If it is so, the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. After a reversal, the depreciation charge is adjusted in future periods to allocate the asset's revised carrying amount, less any residual value, on a systematic basis over its remaining useful life. Reversals of Impairment loss are recognized in the Statement of Profit and Loss.

## 2.8. Investments in associates

The Company records the investments in associates at cost less impairment loss, if any.

On disposal of investment in associate, the difference between net disposal proceeds and the carrying amounts (including corresponding value of dilution in deemed investment) are recognized in the Statement of Profit and Loss.

## 2.9 Inventories

The inventories are valued at cost or net realizable value whichever is lower. The basis of determining the value of each class of inventory is as follows:

Inventories	Cost Formula
Raw material	Weighted average cost
Work in Progress	Raw material cost plus conversion cost, wherever applicable
Stock in trade	At landed cost
Stores and Spare Parts	Weighted average cost

## 2.10. Revenue recognition

The Company earns revenue primarily from sale of products and sale of services.

## a) Revenue from Operations

### Sale of Products and Services

Revenues are recognized when the Company satisfies the performance obligation by transferring a promised product or service to a customer. A product is transferred when the customer obtains control of that product, which is at the point of transfer of custody to customers where usually the title is passed, provided that the contract price is fixed or determinable and collectability of the receivable is reasonably assured.

Revenue is measured at the transaction price of the consideration received or receivable duly adjusted for variable consideration and represents amounts receivable for goods and services provided in the normal course of business, net off Goods and Services Tax (GST), etc. Any retrospective revision in prices is accounted for in the year of such revision.

## b) Other Income

### Rental income

Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms and is included in revenue in the Statement of Profit or Loss due to its operating nature.

### Interest Income:

Interest income from financial assets is recognised at the effective interest rate method applicable on initial recognition.

### Any Other Income:

Other income is recognized on accrual basis except when realisation of such income is uncertain.

## 2.11. Leases:

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

### Company as a lessee

#### Lease Liability

At the commencement date, the Company measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments shall be discounted using incremental borrowing rate.

#### Right-of-use assets

Initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or

prior to the commencement date of the lease plus any initial direct costs less any lease incentives.

#### Subsequent measurement

##### Lease Liability

Company measure the lease liability by (a) increasing the carrying amount to reflect interest on the lease liability; (b) reducing the carrying amount to reflect the lease payments made; and (c) remeasuring the carrying amount to reflect any reassessment or lease modifications.

##### Right-of-use assets

Subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying asset.

##### Impairment

Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

##### Short term Lease:

Short term lease is that, at the commencement date, has a lease term of 12 months or less. A lease that contains a purchase option is not a short-term lease. If the company elected to apply short term lease, the lessee shall recognise the lease payments associated with those leases as an expense on either a straight-line basis over the lease term or another systematic basis. The lessee shall apply another systematic basis if that basis is more representative of the pattern of the lessee's benefit.

##### Company as a lessor

Leases for which the company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

## 2.12. Foreign Exchange Transactions

The functional currency of the Company is Indian Rupees which represents the currency of the primary economic environment in which the Company operates.

Transactions in currencies other than the Company's functional currency (foreign currencies) are recognized at the rates of

exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated using closing exchange rate prevailing on the last day of the reporting period.

Exchange differences on monetary items are recognized in the Statement of Profit and Loss in the period in which they arise.

Effective 1st April, 2018 the company has adopted Appendix B to Ind AS 21- Foreign Currency Transactions and Advance Consideration which clarifies the date of transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income when an entity has received or paid advance consideration in a foreign currency. The effect on account of adoption of this amendment was insignificant.

## 2.13. Employee Benefits

### Defined contribution plans

Contributions to defined contribution schemes such as provident fund, superannuation scheme, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

### Defined benefit plans

Defined Benefit plans comprising of gratuity are recognized based on the present value of defined benefit obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period.

Net interest on the net defined liability is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset and is recognised in the statement of profit and loss.

Remeasurement of defined benefit plans except for leave encashment towards un-availed leave and compensated absences, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (excluding net interest as defined above) and the return on plan assets (excluding net interest as defined above), are recognized in other comprehensive income in the period in which they occur. Remeasurements are not reclassified to profit and loss in subsequent periods.

The Company contributes all ascertained liabilities with respect to gratuity to Life Insurance Corporation of India (LIC).

The retirement benefit obligation recognised in the Financial Statements represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from

this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

#### Short-term employee Benefits

Short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised, undiscounted, during the period the employee renders services. These benefits include salary, wages, bonus, performance incentives etc.

#### Other long-term employee benefits

Other long-term employee benefit comprises of leave encashment towards un-availed leave and compensated absences; these are recognized based on the present value of defined obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted as current employee cost.

Re-measurements of leave encashment towards un-availed leave and compensated absences are recognized in the Statement of Profit and Loss.

The Company contributes all ascertained liabilities with respect to un-availed leave to the Life Insurance Corporation of India (LIC).

### 2.14. Share-based payments

The grant date fair value of options granted to employees is recognised as an employee expense, with a corresponding increase in equity, on a straight line basis, over the vesting period, based on the Company's estimate of equity instruments that will eventually vest. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in profit or loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the equity-settled employee benefits reserves.

### 2.15. Taxes on Income

Income tax expense represents the sum of the current tax and deferred tax.

#### (i) Current tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognised outside

profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

#### (ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the Balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with asset will be realised.

#### (iii) Current and deferred tax expense for the year

Current and deferred tax expense is recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

### 2.16. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

### 2.17. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

### 2.18. Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

#### Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The

effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

#### (i) Financial assets

##### Cash and bank balances

##### Cash and bank balances consist of:

- Cash and cash equivalents - which includes cash in hand, deposits held at call with banks and other short term deposits which are readily convertible into known amounts of cash, are subject to an insignificant risk of change in value and have maturities of less than one year from the date of such deposits. These balances with banks are unrestricted for withdrawal and usage.
- Other bank balances - which includes balances and deposits with banks that are restricted for withdrawal and usage.

##### Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### Financial assets measured at fair value

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### Impairment of financial assets

Loss allowance for expected credit losses is recognised for financial assets measured at amortised cost and fair value through other comprehensive income. The Company recognises life time expected credit losses for all trade receivables that do not constitute a financing transaction. For financial assets whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognised. Loss allowance equal to the lifetime expected credit losses is recognised if the credit risk on the financial instruments has significantly increased since initial recognition.

#### De-recognition of financial assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset.

#### (ii) Financial liabilities and equity instruments

##### Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

##### Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs, if any.

##### Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest rate method where the time value of money is significant. Interest bearing issued debt are initially measured at fair value and are subsequently measured at amortised cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the statement of profit and loss.

##### De-recognition of financial liabilities

The Company de-recognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

#### 2.19. Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is

computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving the basic earnings per share and the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

#### 2.20. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

#### 2.21. Segment reporting

Based on "Management Approach" as defined in Ind AS 108 - Operating Segments, the Chief Operating Decision Maker evaluates the Company's performance and allocates the resources based on an analysis of various performances. The analysis of geographical segments is based on the geographical location of the customers wherever required.

Unallocable items include general corporate income and expense items which are not allocated to any business segment.

##### Segment Policies:

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole. Common allocable costs are allocated to each segment on an appropriate basis.

#### 3. Significant accounting judgements, estimates and assumptions

Inherent in the application of many of the accounting policies used in preparing the Financial Statements is the need for Management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses. Actual outcomes could differ from the estimates and assumptions used.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key source of judgments, assumptions and estimates in the preparation of the Financial Statements which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are in respect of useful lives of Property, Plant and Equipment, impairment, employee

benefit obligations, provisions, provision for income tax, measurement of deferred tax assets and contingent assets & liabilities.

### 3.1. Critical judgments in applying accounting policies

The following are the critical judgements, apart from those involving estimations (Refer note 2.2), that the Management have made in the process of applying the Company's accounting policies and that have the significant effect on the amounts recognized in the Financial Statements.

#### a. Evaluation of indicators for impairment of Property, Plant and Equipment

The evaluation of applicability of indicators of impairment of assets requires assessment of external factors (significant decline in asset's value, significant changes in the technological, market, economic or legal environment, market interest rates etc.) and internal factors (obsolescence or physical damage of an asset, poor economic performance of the asset etc.) which could result in significant change in recoverable amount of the Property, Plant and Equipment.

### 3.2. Key sources of estimates and assumptions

Information about estimates and assumptions that have the significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may differ from these estimates.

#### a. Defined benefit obligation (DBO)

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of government bonds in currencies consistent with the currencies of the

post-employment benefit obligation. The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates for the respective countries.

#### b. Share based payments

The Company measures the cost of equity-settled transactions with employees using a model to determine the fair value of the liability incurred. Estimating fair value for share-based payment transactions requires determination of the most appropriate valuation model, which is dependent on the terms and conditions of the grant. This estimate also requires determination of the most appropriate inputs to the valuation model including the expected life of the share option, volatility and dividend yield and making assumptions about them. The assumptions and models used for estimating fair value for share-based payment transactions are disclosed in Note 53.

#### c. Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the Balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with asset will be realised.

As at 31st March, 2021 and 31st March, 2020, the fair values of the properties are ₹ 58,830 ('000) and ₹ 58,111 ('000), respectively. These valuations are based on valuations performed by Govt. Registered valuer.

The Company has no restrictions on the realisability of its investment properties and no contractual obligations to purchase, construct or develop investment properties.

The Company's Investment Properties consists of land and buildings. The Fair value of land was determined using the market comparable approach based on recent market prices without any significant adjustments being made to the market observable data. The Fair value of Buildings was determined using depreciated Replacement cost method. The valuation model considers various inputs and is dependent on Age, General conditions, normal useful life, replacement cost new, obsolescence. The Fair value measurements is categorized in level 2 or level 3 of Fair value hierarchy as appropriate.

21.2 Securities Premium Reserve is used to record the premium on issue of equity shares. The reserve is utilised in accordance with the provision of the Companies Act, 2013.

21.3 Employee Stock Option Reserve Stock Option Reserve is used to recognise the fair value of equity settled share based payment transactions.

21.4 The General Reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. As the General Reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve is not reclassified subsequently to the Statement of Profit and Loss.

**22 Borrowings**

(Amount in ₹ '000)

Particulars	As at 31st March, 2021	As at 31st March, 2020
<b>Secured</b>		
4% Cumulative Redeemable Preference Shares	<b>1,24,000</b>	1,24,000
<b>Total</b>	<b>1,24,000</b>	1,24,000

22.1 The Company has been authorised to issue 14,000,000 Cumulative Redeemable Preference Shares (CRPS) of ₹ 10/- each, out of which the Company has issued 12,400,000 4% Cumulative Redeemable Preference Shares of ₹ 10/- each fully paid up.

22.2 The CRPS holders comprising the present issue shall rank pari-passu inter se with any preference or priority of one over the other or others of them. The CRPS holder have right to receive dividend @ 4% p.a. in respect of the amount paid-up on the CRPS for a period of 20 years from the date of allotment of CRPS, only out of profits, if any, of the Company. The dividend as and when declared by the Company shall be paid to the shareholder on the record date, which the Board may fix from time to time. If in any year, the Company has not declared any dividend on the CRPS, the right to the dividends shall accumulate and the accumulated dividends will be paid out of the profits, if any, of the subsequent financial year(s) including carry forward profits, if any, of the previous years, before any dividend is paid to the Equity Shareholders. Such right to receive the accumulated dividend, if any, will cease on the expiry of 20 years from the date of allotment.

In the event of liquidation of the Company, the Preference shareholders will be entitled to receive their capital contribution in the Company after the distribution / repayment of all creditors but before distribution to equity shareholders. The distribution to the preference shareholders will be in proportion of the number of shares held by each shareholder.

22.3 As per requirements of Ind AS 32 "Financial Instrument Presentation", 4% cumulative redeemable preference shares have been classified as financial liabilities.

22.4 Consequent to classification of cumulative redeemable preference shares as borrowings, liability pertaining to undeclared dividend is provided for as Finance cost but it is not declared, distributed or paid.

##### 43.1 Defined Contribution Plan

The Company makes contribution towards Employee Provident Fund. The Company is required to contribute specified percentage of payroll cost.

The Company has recognised the following amounts in the Statement of Profit and Loss :

(Amount in ₹ '000)

Particulars	For the year ended 31st March, 2021	For the year ended 31st March, 2020
Contribution to Provident Fund	3,150	2,662
<b>Total</b>	<b>3,150</b>	<b>2,662</b>

##### 43.2 Defined Benefits Plan

###### Gratuity

15 days salary for each completed year of service. Vesting period is 5 years (Other than Death / Disability). The payment is at actual on resignation, termination, disablement or on death. The liability for gratuity as above is recognised on the basis of actuarial valuation.

The Company makes contribution to Life Insurance Corporation (LIC) for gratuity benefits according to the Payment of Gratuity Act, 1972.

The Company recognizes the liability towards the gratuity at each Balance Sheet date.

The most recent actuarial valuation of the defined benefit obligation for gratuity was carried out at 31st March, 2021 by an actuary. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Scheme is funded through LIC.

These plans typically expose the Company to actuarial risks such as: Investment risk, Market risk, Legislative risk, Salary risk and Liquidity risk.

Investment risk	For funded plans that rely on insurers for managing the assets, the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. this can result in wide fluctuations in the net liability or funded status if there are significant changes in the discount rate during the inter-valuation period.
Market risk	It is a collective term for risks that are related to changes and fluctuations of the financial markets. One actuarial assumption that has a material effect is the discount rate. The discount rate reflects the time value of money. An increase in discount rate leads to decrease in defined benefit obligation of the plan benefits & vice versa. this assumption depends on the yields on the corporate bonds and hence the valuation of liability is exposed to fluctuations in the yields at the valuation date.
Legislative risk	It is the risk of increase in the plan liabilities or reduction in the plan assets due to change in the regulation. The government may amend the payment of Gratuity Act thus requiring the companies to pay higher benefits to the employees. This will directly affect the present value of the Defined benefit Obligation and the same will have to be recognized immediately in the year when any such amendment is effective.

Salary risk	Salary hikes that are higher than the assumed salary escalation will result into an increase in obligation at a rate that is higher than expected.
Liquidity risk	Employees with high salaries and long durations or those higher in hierarchy, accumulate significant level of benefits. If some of such employees resign/retire from the company there can be strain on the cashflow.

No other post-retirement benefits are provided to these employees.

The principal assumptions used for the purposes of the actuarial valuations were as follows:

Particulars	As at 31st March, 2021	As at 31st March, 2020
<b>Mortality</b>	<b>Indian Assured Lives Mortality (2006-08) Ultimate</b>	Indian Assured Lives Mortality (2006-08) Ultimate
Withdrawal Rates	1.00%	1.00%
Discount Rate (%)	6.79%	6.87%
Salary escalation rate (%)	5.00%	5.00%
Rate of Return on Plan Assets (%)	7.50%	7.50%

43.3 The following tables sets out the status of the gratuity plan and the amounts recognised in the Company's financial statements as at 31st March.

I. Reconciliation in present value of obligations (PVO) - Defined benefit obligation:

(Amount in ₹ '000)

Particulars	As at 31st March, 2021	As at 31st March, 2020
	<b>Gratuity (Funded)</b>	Gratuity (Funded)
<b>I. Defined Benefit obligation</b>		
Current Service Cost	1,228	1,183
Interest Cost	660	550
Actuarial (gain)/ loss on obligations	(288)	1,081
Benefits paid	(212)	(567)
PVO at the beginning of the year	9,717	7,469
PVO at the end of the year	11,105	9,717
<b>II. Reconciliation of the fair value of Plan Assets</b>		
Expected return on Plan Assets	586	481
Actuarial gain / (Loss) on Plan Assets	(14)	60
Contributions by employer	2,368	500
Benefits Paid	(212)	(567)
Fair value of Plan Assets at the beginning of the year	7,465	6,991
Fair value of Plan Assets at the end of the year	10,193	7,465

(Amount in ₹ '000)

Particulars	As at 31st March, 2021	As at 31st March, 2020
	<b>Gratuity (Funded)</b>	Gratuity (Funded)
<b>III. Reconciliation of PVO and Fair value of Plan of assets</b>		
PVO at the end of the year	11,105	9,717
fair value of Planned assets at the end of the year	10,193	7,465
Short / (Excess) Funded	911	2,251
Unrecognised actuarial gain / (Loss)	-	-
Net (asset) / liability recognised in the Balance Sheet	911	2,251
<b>IV. Service Cost</b>		
Current Service Cost	1,228	1,183
Interest Cost on benefit obligation	660	550
Expected return on Plan Assets	586	481
Components of defined benefit costs recognised in Employee Benefit expenses	1,303	1,252
Remeasurement on the net defined benefit liability:		
Actuarial (gain)/ loss on obligations	(274)	1,020
<b>Net Cost</b>	<b>1,029</b>	<b>2,272</b>

(Amount in ₹ '000)

Experience Adjustment	On Plan Liabilities - Loss/(Gain)	On Plan Assets - Loss/(Gain)
<b>As on 31st March,2021</b>	<b>(379.83)</b>	<b>(14.17)</b>
As on 31st March,2020	325.88	60.36
As on 31st March,2019	(161.17)	(82.63)
As on 31st March,2018	1,343.00	(9.00)
As on 31st March,2017	(275.00)	-

43.4 The fair value of plan assets at the end of the reporting period for each category, are as follows:

Gratuity and Leave 100% managed by Insurer (LIC).

43.5 Sensitivity analysis as for gratuity

(Amount in ₹ '000)

Significant Actuarial Assumptions	As at 31st March, 2021	As at 31st March, 2020
<b>Discount Rate</b>		
Up by 1%	(1,059)	(950)
Down by 1%	1,274	1,138
<b>Salary Escalation</b>		
Up by 1%	1,306	1,193
Down by 1%	(1,137)	(1,020)
<b>Withdrawal Rate</b>		
Up by 1%	50	38
Down by 1%	(72)	(57)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Sensitivity due to mortality & withdrawals are not material & hence impact of change not calculated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the Balance Sheet.

**43.6 Maturity Profile of Defined Benefit Obligation and other long term employee benefits: (Amount in ₹ '000)**

Experience Adjustment	As at 31st March, 2021	As at 31st March, 2020
<b>Defined Benefit:</b>		
<b>Gratuity:</b>		
Less than One Year	911	195
One to Three Years	1,504	2,025
Three to Five Years	1,726	1,577
More than Five Years	6,964	5,920

**44 Operating Segment**

The Company's operations fall under single segment namely "Manufacturing of Machineries and Components", taking into account the risks and returns, the organization structure and the internal reporting systems.

Segment revenue from "Manufacturing of Machineries and Components" represents revenue generated from external customers which is attributable to the company's country of domicile i.e. India and external customers outside India as under:

(Amount in ₹ '000)

Particulars	For the year ended 31st March, 2021	For the year ended 31st March, 2020
Revenue from		
- Outside India	7,242	6,994
- In India	622,816	622,184

All assets are located in the company's country of domicile i.e. India.

Concentration of Revenues from two customers of the group were 38.88% and 36.62% of total revenue for the year ended 31st March, 2021 and 31st March, 2020 respectively.

Diluted Earnings per share (₹)	1.58	1.68

## 47 Impairment of Assets

In accordance with the Indian Accounting Standard (Ind AS-36) on "Impairment of Assets" the Company during the year carried out an exercise of identifying the assets that may have been impaired in respect of cash generating unit in accordance with the said Indian Accounting Standard. Based on the exercise, no impairment loss is required as at 31st March, 2021.

48 The value of realization of assets other than fixed assets and non current investment in the ordinary course of business will not be less than the value at which they are stated in the Balance Sheet.

49 The balances of trade receivables and trade payables are subject to adjustment if any on reconciliation/settlement.

50 The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.

## 51 Financial instruments Disclosure

### 51.1 Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders.

The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to shareholders. The capital structure of the Company is based on management's judgement of its strategic and day-to-day needs with a focus on total equity so as to maintain investor, creditors and market confidence.

The management and the Board of Directors monitors the return on capital as well as the level of dividends to shareholders. The Company may take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

#### Categories of financial instruments (Amount in ₹ '000)

Particulars	As at 31st March, 2021	As at 31st March, 2020
<b>Financial assets</b>		
<b>Measured at amortised cost</b>		
Trade and other receivables	242,331	235,998
Cash and cash equivalents	41,590	3,595
Other Bank Balance	117,865	53,698
Loans	20	46
Other financial assets	5,618	6,156
<b>Financial liabilities</b>		
<b>Measured at amortised cost</b>		
Borrowings	242,593	188,878
Trade payables	51,152	54,918
Dividend Payable on Redeemable Preference Shares	81,470	76,510
Other financial liabilities	8,849	5,200

### 51.2 Financial risk management

The Company's principal financial liabilities, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include deposits, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The senior Management ensures that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

#### 51.2.1 Market Risk

Market risk is the risk or uncertainty arising from possible market price movements and their impact on the future performance of the business. The major components of market risk are price risk, foreign currency risk and interest rate risk.

##### A. Commodity price risk

The Company is affected by the price volatility of certain commodities. Its operating activities require the ongoing manufacture of machineries and components and therefore require a continuous supply of steel as principal raw material.

The Company's management has developed and enacted a risk management strategy regarding commodity price risk and its mitigation.

### B. Foreign Currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities.

The aim of the Company's approach to management of currency risk is to leave the Company with no material residual risk.

The carrying amount of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

(Amount in ₹ '000)

Particulars	As at 31st March, 2021	As at 31st March, 2020
<b>Assets</b>		
CHF	649	467
US\$	183	-
AUS\$	130	-

#### Sensitivity to risk

A 5% strengthening of the INR against key currencies to which the Company is exposed would have led to approximately an additional ₹ 48 ('000) gain in the Statement of Profit and Loss. A 5% weakening of the INR against these currencies would have led to an equal but opposite effect

### C. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's short term debt obligations with floating interest rates.

The Company invests the surplus fund generated from operations in bank deposits. Considering these bank deposits are short term in nature, there is no significant interest rate risk.

The Company has laid policies and guidelines including tenure of investment made to minimise impact of interest rate risk.

#### 51.2.2 Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations.

The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

#### A. Trade Receivable

Customer credit risk is managed by the Company subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored and any shipments to major customers are generally covered by letters of credit or other forms of credit insurance.

An impairment analysis is performed at each reporting date on an individual basis. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in Note no. 12

#### B. Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the management in accordance with the Company's policy. The Company's maximum exposure to credit risk for the components of the Balance Sheet at 31st March, 2021 and 31st March, 2020 is the carrying amounts as illustrated in Note no. 13.

### 51.2.3 Liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, bank loans, preference shares and finance leases.

"The Company monitors its risk of a shortage of funds using a liquidity planning tool."

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows as at the Balance Sheet date.

(Amount in ₹ '000)

Particulars	Within 1 year	Exceeding one year	Total
<b>As at 31st March, 2021</b>			
Borrowings	118,593	124,000	242,593
Trade Payable	51,152	-	51,152
Deposits towards lease	2,507		2,507
Dividend Payable on Redeemable Preference Shares	81,470		81,470
Expenses payable	6,342	-	6,342
<b>Total</b>	<b>260,064</b>	<b>124,000</b>	<b>384,064</b>
<b>As at 31st March, 2020</b>			
Borrowings	64,878	124,000	188,878
Trade Payable	54,918	-	54,918
Deposits towards lease	2,507		2,507
Dividend Payable on Redeemable Preference Shares	76,510		76,510
Expenses payable	2,693	-	2,693
<b>Total</b>	<b>201,506</b>	<b>124,000</b>	<b>325,506</b>

### 52. Fair Value Measurement

52.1 Fair value of the Company's financial assets that are measured at fair value on recurring basis.

Some of the Company's financial assets are measured at fair value at the end of each reporting period. The following table gives information about how the fair values of these financial assets are determined.

(Amount in ₹ '000)

Financial Assets / Financial Liabilities	Fair Value at 31st March 2021	Fair Value at 31st March 2020	Fair Value hierarchy	Valuation techniques and Key inputs
Asset held for sale	-	2411	Level - 2	1) Method of valuation is Average Cost Method. 2) Considered factors like balance life, residual life, market demand, process and atmospheric corrosion and obsolescence factor.

52.2 Fair value of financial assets and financial liabilities that are not measured at fair value (but fair value disclosures are required).

Management considers that the carrying amounts of financial assets and financial liabilities recognized in the financial statements except as per note 52.1 approximate their fair values.

### 53 Employee Stock option

At the Annual General Meeting of the Company held on 12th August, 2015 members of the Company passed a special resolution for introducing a "Integra Engineering India Employees Stock Option Plan 2015" for the benefit of employees of the Company. The resolution also accorded approval for the Board of Directors, to formulate the Scheme as per broad parameters outlined in the resolution. Pursuant to the Scheme, the Company has granted options to eligible employees of the Company under Plan. Each option entitles for one equity share. The options under this grant will vest to the employees as 20%, 40% and 40% of the total grant at end of third, fourth and fifth year from the date of grant, respectively, with an exercise period of three years for each grant. The vesting conditions include service terms and performance of the employees. These options are exercisable at an exercise price of ₹ 36/-per share (Face Value of ₹ 1 per share).

The fair value of each equity settled option is estimated on the date of grant using the Black-Scholes-Merton model, with the following assumptions:

Particulars	
Grant date	22nd August, 2017
No of Option Granted	1,80,000
<b>Option Value as on grant date</b>	
Fair Value per ESOP option (₹)	19.06
Value of Option (₹)	34,30,800
<b>Parameters of Fair Value of Options as on grant date</b>	
Stock Price as on grant date (₹)	39.75
Exercise Price (₹)	36.00
Volatility	45.29%
Risk Free rate	6.52%
Weighted Average time of Expiry	4.2 Years

During the year ended 31st March, 2021 the company had charged to statement of Profit and Loss as employee benefit expenses ₹ 675 ('000) (P.Y. ₹ 846 ('000)) by creating an Employee stock option reserve which is grouped under the head 'Other Equity'.

#### 54. Corporate Social Responsibility:

Corporate Social Responsibility expenditure is as follows:

(Amount in ₹ '000)

Particulars	For the year ended 31st March, 2021	For the year ended 31st March, 2020	
(a) Gross amount required to be spent during the year	1,484	1,084	
Particulars	In Cash	Yet to be paid in cash	Yet to be paid in cash
(b) Amount spent During the year on:			
(i) Construction/Acquisition of Asset	-	-	-
(ii) On purpose other than above	1,484	-	-
<b>Total</b>	<b>1,484</b>	-	-

55. The Company has, at the time of approving the financial statements, assessed the potential impact of the COVID-19 on its operations. Barring any future COVID-19 related escalations, based on the current assessment, the Company is of the view that impact of COVID-19 on its operations and the carrying value of its assets and liabilities is not likely to be material.

56. The figures of previous period / year have been re-grouped / re-arranged wherever necessary.

#### 57. Approval of Financial statements:

Standalone financial statements were approved by the Board of Directors on 26th May, 2021.

**INDEPENDENT AUDITOR'S REPORT**

To the Members of **Integra Engineering India Limited**

**Report on the Audit of the Consolidated Financial Statements Opinion**

We have audited the accompanying consolidated financial statements of **Integra Engineering India Limited** ("the Company") and its associate, which comprise the Consolidated Balance Sheet as at 31st March, 2021, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended and notes to the consolidated financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the other financial information of the associate as referred to in the "Other Matter" Paragraph, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company and its associate as at 31st March, 2021, and consolidated total comprehensive income (comprising of profit and other comprehensive income), consolidated changes in equity and their cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company and its associate in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of these consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described

below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	How our audit addressed the matter
1	<p><b>Evaluation of uncertain tax positions and litigations</b></p> <p>The company has on-going legal matters relating to direct tax, Indirect tax and other matters which requires significant management judgement to determine the likely outcome.</p> <p>(Refer to note 41 to the consolidated financial statements)</p>	<p>In assessing the potential exposure of the on-going litigation, we have performed the following procedures:</p> <ul style="list-style-type: none"> <li>• Obtaining from the management details of all completed / pending tax assessments and other litigations upto 31st March, 2021;</li> <li>• Understanding the status of pending tax demands and potential liability for the other pending litigations;</li> <li>• Involved our internal tax teams and discussing with the company's legal advisors to confirm the management's underlying assumptions and judgement for determining the potential liability and provisions and the possible outcome of the litigation.</li> </ul>

**Information Other than the Consolidated Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Corporate Governance Report and Shareholder's Information but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Company and its associate in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and its associate and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability and the associate's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's and associate's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud

is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company and its associate incorporated in India has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability and its associate's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company and its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the consolidated financial statements of such entities included in the consolidated financial statements of which we are the independent auditor.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any

significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matters or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Other Matters

We have relied on the unaudited financial statements of the associate whose financial statements reflects total loss after tax of ₹ Nil ('000) and total comprehensive loss of ₹ Nil ('000) for the year then ended on that date. These unaudited financial statements have been furnished to us by the management and our report in so far as it relates to the amounts included in respect of above associate is based on solely on such unaudited financial statements.

Our opinion on the consolidated financial Statements is not modified in respect of the above matters.

#### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
  - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated financial statements;
  - (b) in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books;
  - (c) the Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account and records maintained for the purpose of preparation of the consolidated financial statements;
  - (d) in our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act;

- (e) on the basis of the written representations received from the directors as on 31st March, 2021 and taken on record by the Board of Directors, none of the directors of the group company and its associate company incorporated in India is disqualified as on 31st March, 2021, from being appointed as a director in terms of Section 164(2) of the Act;
- (f) with respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Company and its associate and the operating effectiveness of such controls, refer to our separate report in "Annexure A";
- (g) with respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, the Company has neither paid nor provided for, any remuneration to its directors during the year; and
- (h) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. the Consolidated financial statements disclosed the impact of pending litigations on the Consolidated financial position of the Company and its associate – Refer Note 41 to the consolidated financial statements;
  - ii. the Company and its associate did not have any long-term contracts including derivative contracts as at 31st March, 2021;
  - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company and its associate incorporated in India.
  - iv.
    - i. The Company's Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company and its associates to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company and its associates ("Ultimate Beneficiaries") or provide any guarantee, security or the like

- on behalf of the Ultimate Beneficiaries;
- ii. The Company's Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company and its associates from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company and its associates shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
  - iii. Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
  - v. There is no dividend declared or paid during the year by the Company and its associates.

**Annexure A to the Independent Auditor's Report on the consolidated financial statements of Integra Engineering India Limited**

Report on the Internal Financial Controls with reference to the aforesaid consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the internal financial controls over financial reporting of the consolidated financial statements of **Integra Engineering India Limited** ("the Company") and its associate company wherein such audit of internal financial controls over financial reporting was carried out by other Auditors whose reports have been forwarded to us and have been appropriately dealt with by us in making this report as of 31st March, 2021 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company and its associate's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk

that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

**Meaning of Internal Financial Controls with reference to consolidated financial statements**

A Company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the consolidated financial statements.

**Inherent Limitations of Internal Financial Controls with reference to consolidated financial statements**

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at 31st March, 2021 based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

**Integra Engineering India Limited**
**Notes to the Consolidated Financial Statements for the year ended 31st March, 2021**
**1. Corporate information**

INTEGRA Engineering India Limited ('the Company') is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956 (CIN: L29199GJ1981PLC028741) having its registered office at Post Box No 55, Chandrapura Village, Taluka Halol, Panchmahal. Its shares are listed on Bombay Stock Exchange in India. The Company is engaged in manufacturing of machineries and components.

The consolidated financial statements comprise financial statements of Integra Engineering India Limited ('the Company') and its associate Integra Systems Private Limited for the year ended 31st March, 2021.

**2. Significant accounting policies**
**2.1. Statement of compliance**

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015 (as amended). The financial statements have also been prepared in accordance with the relevant presentation requirements of the Companies Act, 2013.

**2.2. Basis of preparation**

The Financial Statements have been prepared on the historical cost convention on accrual basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

As the operating cycle cannot be identified in normal course due to the special nature of the industry, the same has been assumed to have duration of 12 months. Accordingly, all assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Ind AS-1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013. Further trade receivables, inventories and trade payables are assumed to be current as per para 68 and 70 of Ind AS-1.

The Financial Statements are presented in Indian Rupees and all values are rounded off to the nearest thousand rupees.

**Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between

market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

- (a) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (b) Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1, for the asset or liability.
- (c) Level 3 inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period

**2.3. Principles of Consolidation:**

An Associate is an entity over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investees but is not control or joint control over those policies.

The considerations made in determining whether significant influence or joint control are similar to those necessary to determine control over the subsidiaries.

The Company's investment in its associate is accounted for using the equity method. Under the equity method, the investment in an associate is initially recognized at cost. The carrying amount of the investment is adjusted to recognize changes in the Company's share of net assets of the associate since the acquisition date. Goodwill relating to the associate is included in the carrying amount of the investment and is not tested for impairment individually.

The Statement of Profit and Loss reflects the Company's share of the results of operations of the associate. Any change in OCI of those investees is presented as part of the Company's OCI. In addition, when there has been a change recognized directly in the equity of the associate, the Company recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealized gains and losses resulting from transactions between the Company and the associate are eliminated to the extent of the interest in the associate.

If Company's share of losses of an associate exceeds its interest in that associate (which includes any long term interest that, in

substance, form part of the Company's net investment in the associate), the Company discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Company has incurred legal or constructive obligations or made payments on behalf of the associate. If the associate subsequently reports profits, the Company resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognized.

The financial statements of the associate are prepared for the same reporting period as the Company. When necessary, adjustments are made to bring the accounting policies in line with those of the Company.

#### 2.4. Property Plant and Equipment (PPE)

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the Balance Sheet at cost less accumulated depreciation and impairment losses, if any. Freehold land is not depreciated.

Property, Plant and Equipment in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss.

The cost of an asset comprises its purchase price or its construction cost (net of applicable tax credits) and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of PPE when completed and ready for intended use. Parts of an item of PPE having different useful lives and significant value and subsequent expenditure on Property, Plant and Equipment arising on account of capital improvement or other factors are accounted for as separate components. Capital work in progress includes the cost of PPE that are not yet ready for the intended use.

Depreciation of these PPE commences when the assets are ready for their intended use.

Depreciation is provided on the cost of PPE (other than Freehold Land, properties under construction) less their residual values, using the straight-line method over the useful life of PPE as stated in the Schedule II to the Companies Act, 2013 or based on technical assessment by the Company. Estimated useful lives of these assets are as under:

Description	Years
Building	30
Plant & Machinery	15
Computers	3
Furniture and Fixtures	10
Vehicles	8

The estimated useful lives and residual values are reviewed on an annual basis and if necessary, changes in estimates are accounted for prospectively.

Depreciation on additions/deletions to PPE during the year is provided for on a pro-rata basis with reference to the date of additions/deletions.

Depreciation on subsequent expenditure on PPE arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life.

An item of PPE is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

#### 2.5 Intangible Assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives not exceeding ten years from the date of capitalisation. The estimated useful life is reviewed at the end of each reporting period and the effect of any changes in estimate being accounted for prospectively.

Intangible assets are derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset, and recognised in the Statement of Profit and Loss when the asset is derecognised.

#### 2.6 Investment Property

Since there is no change in the functional currency, the Company has elected to continue with the carrying value for all of its investment property as recognised in its Indian GAAP financial statements as deemed cost at the transition date, viz., 1st April, 2016.

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The Company depreciates building component of investment property over 30 years from the date of original purchase.

Though the Company measures investment property using cost-based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by an accredited external

independent valuer applying a valuation model recommended by the International Valuation Standards Committee.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in statement of profit or loss in the period of derecognition.

### 2.7 Non-Current Assets held for Sale

The Company classifies Non-Current Assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use of the assets and actions required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision to sell will be withdrawn. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification.

Non-current assets or disposal groups classified as held for sale are measured at the lower of carrying amount and fair value less costs to sell.

Property, Plant and Equipment and intangible assets are not depreciated or amortized once classified as held for sale.

### 2.8 Impairment of tangible assets and intangible assets

The Company reviews the carrying amount of its tangible assets (Property, Plant and Equipment including Capital Works in Progress) of a "Cash Generating Unit" (CGU) at the end of each reporting period to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss.

An assessment is made at the end of each reporting period to see if there are any indications that impairment losses

recognized earlier may no longer exist or may have decreased. The impairment loss is reversed, if there has been a change in the estimates used to determine the asset's recoverable amount since the previous impairment loss was recognized. If it is so, the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. After a reversal, the depreciation charge is adjusted in future periods to allocate the asset's revised carrying amount, less any residual value, on a systematic basis over its remaining useful life. Reversals of Impairment loss are recognized in the Statement of Profit and Loss.

### 2.9 Inventories

The inventories are valued at cost or net realizable value whichever is lower. The basis of determining the value of each class of inventory is as follows:

Inventories	Cost Formula
Raw material	Weighted average cost
Work in Progress	Raw material cost plus conversion cost, wherever applicable
Stock in trade	At landed cost
Stores and Spare Parts	Weighted average cost

### 2.10 Revenue recognition

The Company earns revenue primarily from sale of products and sale of services.

#### a) Revenue from Operations

##### Sale of Products and Services

Revenues are recognized when the Company satisfies the performance obligation by transferring a promised product or service to a customer. A product is transferred when the customer obtains control of that product, which is at the point of transfer of custody to customers where usually the title is passed, provided that the contract price is fixed or determinable and collectability of the receivable is reasonably assured.

Revenue is measured at the transaction price of the consideration received or receivable duly adjusted for variable consideration and represents amounts receivable for goods and services provided in the normal course of business, net off Goods and Services Tax (GST), etc. Any retrospective revision in prices is accounted for in the year of such revision.

#### b) Other Income

##### Rental income

Rental income arising from operating leases on

investment properties is accounted for on a straight-line basis over the lease terms and is included in revenue in the Statement of Profit or Loss due to its operating nature.

**Interest Income:**

Interest income from financial assets is recognised at the effective interest rate method applicable on initial recognition

**Any Other Income:**

Other income is recognized on accrual basis except when realisation of such income is uncertain.

**2.11 Leases:**

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

**Company as a lessee**

**Lease Liability**

At the commencement date, the Company measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments shall be discounted using incremental borrowing rate.

**Right-of-use assets**

Initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives.

**Subsequent measurement**

**Lease Liability**

Company measure the lease liability by (a) increasing the carrying amount to reflect interest on the lease liability; (b) reducing the carrying amount to reflect the lease payments made; and (c) remeasuring the carrying amount to reflect any reassessment or lease modifications.

**Right-of-use assets**

Subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying asset.

**Impairment**

Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those

from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

**Short term Lease:**

Short term lease is that, at the commencement date, has a lease term of 12 months or less. A lease that contains a purchase option is not a short-term lease. If the company elected to apply short term lease, the lessee shall recognise the lease payments associated with those leases as an expense on either a straight-line basis over the lease term or another systematic basis. The lessee shall apply another systematic basis if that basis is more representative of the pattern of the lessee's benefit.

**Company as a lessor**

Leases for which the company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

**2.12 Foreign Exchange Transactions**

The functional currency of the Company is Indian Rupees which represents the currency of the primary economic environment in which the Company operates.

Transactions in currencies other than the Company's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated using closing exchange rate prevailing on the last day of the reporting period.

Exchange differences on monetary items are recognized in the Statement of Profit and Loss in the period in which they arise.

Effective 1st April, 2018 the company has adopted Appendix B to Ind AS 21- Foreign Currency Transactions and Advance Consideration which clarifies the date of transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income when an entity has received or paid advance consideration in a foreign currency. The effect on account of adoption of this amendment was insignificant.

**2.13 Employee Benefits**

**Defined contribution plans**

Contributions to defined contribution schemes such as provident fund, superannuation scheme, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions

#### Defined benefit plans

Defined Benefit plans comprising of gratuity are recognized based on the present value of defined benefit obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period.

Net interest on the net defined liability is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset and is recognised in the statement of profit and loss.

Remeasurement of defined benefit plans except for leave encashment towards un-availed leave and compensated absences, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (excluding net interest as defined above) and the return on plan assets (excluding net interest as defined above), are recognized in other comprehensive income in the period in which they occur. Remeasurements are not reclassified to profit and loss in subsequent periods.

The Company contributes all ascertained liabilities with respect to gratuity to Life Insurance Corporation of India (LIC).

The retirement benefit obligation recognised in the Financial Statements represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

#### Short-term employee Benefits

Short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised, undiscounted, during the period the employee renders services. These benefits include salary, wages, bonus, performance incentives etc.

#### Other long-term employee benefits

Other long-term employee benefit comprises of leave encashment towards un-availed leave and compensated absences; these are recognized based on the present value of defined obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted as current employee cost.

Re-measurements of leave encashment towards un-availed leave and compensated absences are recognized in the Statement of Profit and Loss.

The Company contributes all ascertained liabilities with respect to un-availed leave to the Life Insurance Corporation of India (LIC).

#### 2.14 Share-based payments

The grant date fair value of options granted to employees is recognised as an employee expense, with a corresponding increase in equity, on a straight line basis, over the vesting period, based on the Company's estimate of equity instruments that will eventually vest. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in profit or loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the equity-settled employee benefits reserves.

#### 2.15 Taxes on Income

Income tax expense represents the sum of the current tax and deferred tax.

##### (i) Current tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

##### (ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the Balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with asset will be realised.

**(ii) Current and deferred tax expense for the year**

Current and deferred tax expense is recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

**2.16 Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

**2.17 Provisions, Contingent Liabilities and Contingent Assets**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

**2.18 Financial Instruments**

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

**Effective interest method**

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

**(i) Financial assets**

Cash and bank balances

Cash and bank balances consist of:

- Cash and cash equivalents - which includes cash in hand, deposits held at call with banks and other short term deposits which are readily convertible into known amounts of cash, are subject to an insignificant risk of change in value and have maturities of less than one year from the date of such deposits. These balances with banks are unrestricted for withdrawal and usage.
- Other bank balances - which includes balances and deposits with banks that are restricted for withdrawal and usage.

**Financial assets at amortised cost**

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### Financial assets measured at fair value

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### Impairment of financial assets

Loss allowance for expected credit losses is recognised for financial assets measured at amortised cost and fair value through other comprehensive income. The Company recognises life time expected credit losses for all trade receivables that do not constitute a financing transaction. For financial assets whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognised. Loss allowance equal to the lifetime expected credit losses is recognised if the credit risk on the financial instruments has significantly increased since initial recognition.

#### De-recognition of financial assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset.

#### (ii) Financial liabilities and equity instruments

##### Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

##### Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs, if any.

#### Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest rate method where the time value of money is significant. Interest bearing issued debt are initially measured at fair value and are subsequently measured at amortised cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the statement of profit and loss.

#### De-recognition of financial liabilities

The Company de-recognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

#### 2.19 Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving the basic earnings per share and the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

#### 2.20 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

#### 2.21 Segment reporting

Based on "Management Approach" as defined in Ind AS 108 - Operating Segments, the Chief Operating Decision Maker evaluates the Company's performance and allocates the resources based on an analysis of various performances. The analysis of geographical segments is based on the geographical location of the customers wherever required.

Unallocable items include general corporate income and expense items which are not allocated to any business segment.

##### Segment Policies:

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole. Common allocable costs are allocated to each segment on an

appropriate basis.

### 3. Significant accounting judgements, estimates and assumptions

Inherent in the application of many of the accounting policies used in preparing the Financial Statements is the need for Management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses. Actual outcomes could differ from the estimates and assumptions used.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key source of judgments, assumptions and estimates in the preparation of the Financial Statements which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are in respect of useful lives of Property, Plant and Equipment, impairment, employee benefit obligations, provisions, provision for income tax, measurement of deferred tax assets and contingent assets & liabilities.

#### 3.1 Critical judgments in applying accounting policies

The following are the critical judgements, apart from those involving estimations (Refer note 2.2), that the Management have made in the process of applying the Company's accounting policies and that have the significant effect on the amounts recognized in the Financial Statements.

##### a. Evaluation of indicators for impairment of Property, Plant and Equipment

The evaluation of applicability of indicators of impairment of assets requires assessment of external factors (significant decline in asset's value, significant changes in the technological, market, economic or legal environment, market interest rates etc.) and internal factors (obsolescence or physical damage of an asset, poor economic performance of the asset etc.) which could result in significant change in recoverable amount of the Property, Plant and Equipment.

#### 3.2 Key sources of estimates and assumptions

Information about estimates and assumptions that have the significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may differ from these estimates.

##### a. Defined benefit obligation (DBO)

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves

making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation. The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates for the respective countries.

##### b. Share based payments

The Company measures the cost of equity-settled transactions with employees using a model to determine the fair value of the liability incurred. Estimating fair value for share-based payment transactions requires determination of the most appropriate valuation model, which is dependent on the terms and conditions of the grant. This estimate also requires determination of the most appropriate inputs to the valuation model including the expected life of the share option, volatility and dividend yield and making assumptions about them. The assumptions and models used for estimating fair value for share-based payment transactions are disclosed in Note 53.

##### c. Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the Balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with asset will be realised.

<b>Total</b>	<b>311,172</b>	<b>256,235</b>

#### 21.1 Particulars relating to Other Equity

(Amount in ₹ '000)

Particulars	As at 31st March, 2021	As at 31st March, 2020
<b>Securities Premium (Refer Note No.21.2)</b>		
Balance at the beginning of the year	32,948	32,948
Addition/(Deduction) during the year	-	-
Balance at the end of the year	32,948	32,948
<b>Employee Stock Option Reserve (Refer Note No. 21.3)</b>		
Balance at the beginning of the year	2,327	1,481
Addition/(Deduction) during the year	675	846
Balance at the end of the year	3,002	2,327
<b>General Reserve (Refer Note No.21.4)</b>		
Balance at the beginning of the year	24,909	24,909
Addition/(Deduction) during the year	-	-
Balance at the end of the year	24,909	24,909
<b>Retained Earnings</b>		
Balance at the beginning of the year	196,051	139,098
Add: Net Profit for the Year	54,064	57,690
Add/(Less): Remeasurement of the Net Defined benefit liability/asset net of tax effect	198	(737)
Balance at the end of the year	250,313	196,051
<b>Total</b>	<b>311,172</b>	<b>256,235</b>

21.2 Securities Premium Reserve is used to record the premium on issue of equity shares. The reserve is utilised in accordance with the provision of the Companies Act, 2013.

21.3 Employee Stock Option Reserve Stock Option Reserve is used to recognise the fair value of equity settled share based payment transactions.

21.4 The General Reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. As the General Reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve is not reclassified subsequently to the Statement of Profit and Loss.

**22 Borrowings**

(Amount in ₹ '000)

Particulars	As at 31st March, 2021	As at 31st March, 2020
Secured 4% Cumulative Redeemable Preference Shares	1,24,000	1,24,000
<b>Total</b>	<b>1,24,000</b>	<b>1,24,000</b>

22.1 The Company has been authorised to issue 14,000,000 Cumulative Redeemable Preference Shares (CRPS) of ₹ 10/- each, out of which the Company has issued 12,400,000 4% Cumulative Redeemable Preference Shares of ₹ 10/- each fully paid up.

22.2 The CRPS holders comprising the present issue shall rank pari-passu interse with any preference or priority of one over the other or others of them. The CRPS holder have right to receive dividend @ 4% p.a. in respect of the amount paid-up on the CRPS for a period of 20 years from the date of allotment of CRPS, only out of profits, if any, of the Company. The dividend as and when declared by the Company shall be paid to the shareholder on the record date, which the Board may fix from time to time. If in any year, the Company has not declared any dividend on the CRPS, the right to the dividends shall accumulate and the accumulated dividends will be paid out of the profits, if any, of the subsequent financial year(s) including carry forward profits, if any, of the previous years, before any dividend is paid to the Equity Shareholders. Such right to receive the accumulated dividend, if any, will cease on the expiry of 20 years from the date of allotment. In the event of liquidation of the Company, the Preference shareholders will be entitled to receive their capital contribution in the Company after the distribution / repayment of all creditors but before distribution to equity shareholders. The distribution to the preference shareholders will be in proportion of the number of shares held by each shareholder.

22.3 As per requirements of Ind AS 32 "Financial Instrument Presentation", 4% cumulative redeemable preference shares have been classified as financial liabilities.

22.4 Consequent to classification of cumulative redeemable preference shares as borrowings, liability pertaining to undeclared dividend is provided for as Finance cost but it is not declared, distributed or paid.

Particulars	As at 31st March, 2021	As at 31st March, 2020
Rent Expense	1,315	1,576

42.3 Rental income arising from operating leases on Investment properties is accounted over the lease terms and is included in Other Income in the Statement of Profit and Loss.

**Rental Income recognised during the year:** **(Amount in ₹ '000)**

Particulars	For the year ended 31st March, 2021	For the year ended 31st March, 2020
Rental Income	10,324	10,449

#### 43 Employee Benefits :

In accordance with the stipulations of the Indian Accounting Standard 19 (IND AS 19) "Employee Benefits", the disclosures of employee benefits as defined in the Indian Accounting Standard are given below:

##### 43.1 Defined Contribution Plan

The Company makes contribution towards Employee Provident Fund. The Company is required to contribute specified percentage of payroll cost.

The Company has recognised the following amounts in the Statement of Profit and Loss :

(Amount in ₹ '000)

Particulars	For the year ended 31st March, 2021	For the year ended 31st March, 2020
Contribution to Provident Fund	3,150	2,662
<b>Total</b>	<b>3,150</b>	<b>2,662</b>

##### 43.2 Defined Benefits Plan

###### Gratuity

15 days salary for each completed year of service. Vesting period is 5 years (Other than Death / Disability). The payment is at actual on resignation, termination, disablement or on death. The liability for gratuity as above is recognised on the basis of actuarial valuation.

The Company makes contribution to Life Insurance Corporation (LIC) for gratuity benefits according to the Payment of Gratuity Act, 1972.

The Company recognizes the liability towards the gratuity at each Balance Sheet date.

The most recent actuarial valuation of the defined benefit obligation for gratuity was carried out at 31st March, 2021 by an actuary. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Scheme is funded through LIC.

These plans typically expose the Company to actuarial risks such as: Investment risk, Market risk, Legislative risk, Salary risk and Liquidity risk.

Investment risk	For funded plans that rely on insurers for managing the assets, the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. this can result in wide fluctuations in the net liability or funded status if there are significant changes in the discount rate during the inter-valuation period.
Market risk	It is a collective term for risks that are related to changes and fluctuations of the financial markets. One actuarial assumption that has a material effect is the discount rate. The discount rate reflects the time value of money. An increase in discount rate leads to decrease in defined benefit obligation of the plan benefits & vice versa. this assumption depends on the yields on the corporate bonds and hence the valuation of liability is exposed to fluctuations in the yields at the valuation date.
Legislative risk	It is the risk of increase in the plan liabilities or reduction in the plan assets due to change in the regulation. The government may amend the payment of Gratuity Act thus requiring the companies to pay higher benefits to the employees. This will directly affect the present value of the Defined benefit Obligation and the same will have to be recognized immediately in the year when any such amendment is effective.

Salary risk	Salary hikes that are higher than the assumed salary escalation will result into an increase in obligation at a rate that is higher than expected.
Liquidity risk	Employees with high salaries and long durations or those higher in hierarchy, accumulate significant level of benefits. If some of such employees resign/retire from the company there can be strain on the cashflow.

No other post-retirement benefits are provided to these employees.

The principal assumptions used for the purposes of the actuarial valuations were as follows:

Particulars	As at 31st March, 2021	As at 31st March, 2020
<b>Mortality</b>	<b>Indian Assured Lives Mortality (2006-08) Ultimate</b>	Indian Assured Lives Mortality (2006-08) Ultimate
Withdrawal Rates	1.00%	1.00%
Discount Rate (%)	6.79%	6.87%
Salary escalation rate (%)	5.00%	5.00%
Rate of Return on Plan Assets (%)	7.50%	7.50%

43.3 The following tables sets out the status of the gratuity plan and the amounts recognised in the Company's financial statements as at 31st March.

I. Reconciliation in present value of obligations (PVO) - Defined benefit obligation:

(Amount in ₹ '000)

Particulars	As at 31st March, 2021	As at 31st March, 2020
	<b>Gratuity (Funded)</b>	Gratuity (Funded)
<b>I. Defined Benefit obligation</b>		
Current Service Cost	1,228	1,183
Interest Cost	660	550
Actuarial (gain)/ loss on obligations	(288)	1,081
Benefits paid	(212)	(567)
PVO at the beginning of the year	9,717	7,469
PVO at the end of the year	11,105	9,717
<b>II. Reconciliation of the fair value of Plan Assets</b>		
Expected return on Plan Assets	586	481
Actuarial gain / (Loss) on Plan Assets	(14)	60
Contributions by employer	2,368	500
Benefits Paid	(212)	(567)
Fair value of Plan Assets at the beginning of the year	7,465	6,991
Fair value of Plan Assets at the end of the year	10,193	7,465

(Amount in ₹ '000)

Particulars	As at 31st March, 2021	As at 31st March, 2020
	<b>Gratuity (Funded)</b>	Gratuity (Funded)
<b>III. Reconciliation of PVO and Fair value of Plan of assets</b>		
PVO at the end of the year	11,105	9,717
fair value of Planned assets at the end of the year	10,193	7,465
Short / (Excess) Funded	911	2,251
Unrecognised actuarial gain / (Loss)	-	-
Net (asset) / liability recognised in the Balance Sheet	911	2,251
<b>IV. Service Cost</b>		
Current Service Cost	1,228	1,183
Interest Cost on benefit obligation	660	550
Expected return on Plan Assets	586	481
Components of defined benefit costs recognised in Employee Benefit expenses	1,303	1,252
Remeasurement on the net defined benefit liability:		
Actuarial (gain)/ loss on obligations	(274)	1,020
<b>Net Cost</b>	<b>1,029</b>	<b>2,272</b>

(Amount in ₹ '000)

Experience Adjustment	On Plan Liabilities - Loss/(Gain)	On Plan Assets - Loss/(Gain)
<b>As on 31st March,2021</b>	<b>(379.83)</b>	<b>(14.17)</b>
<b>As on 31st March,2020</b>	<b>325.88</b>	<b>60.36</b>
As on 31st March,2019	(161.17)	(82.63)
As on 31st March,2018	1,343.00	(9.00)
As on 31st March,2017	(275.00)	-

43.4 The fair value of plan assets at the end of the reporting period for each category, are as follows:  
Gratuity and Leave 100% managed by Insurer (LIC).

## 43.5 Sensitivity analysis as for gratuity

(Amount in ₹ '000)

Significant Actuarial Assumptions	As at 31st March, 2021	As at 31st March, 2020
<b>Discount Rate</b>		
Up by 1%	(1,059)	(950)
Down by 1%	1,274	1,138
<b>Salary Escalation</b>		
Up by 1%	1,306	1,193
Down by 1%	(1,137)	(1,020)
<b>Withdrawal Rate</b>		
Up by 1%	50	38
Down by 1%	(72)	(57)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Sensitivity due to mortality & withdrawals are not material & hence impact of change not calculated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the Balance Sheet.

## 43.6 Maturity Profile of Defined Benefit Obligation and other long term employee benefits: (Amount in ₹ '000)

Experience Adjustment	As at 31st March, 2021	As at 31st March, 2020
<b>Defined Benefit:</b>		
<b>Gratuity:</b>		
Less than One Year	911	195
One to Three Years	1,504	2,025
Three to Five Years	1,726	1,577
More than Five Years	6,964	5,920

## 44 Operating Segment

The Company's operations fall under single segment namely "Manufacturing of Machineries and Components", taking into account the risks and returns, the organization structure and the internal reporting systems.

Segment revenue from "Manufacturing of Machineries and Components" represents revenue generated from external customers which is attributable to the company's country of domicile i.e. India and external customers outside India as under:

(Amount in ₹ '000)

Particulars	For the year ended 31st March, 2021	For the year ended 31st March, 2020
Revenue from		
- Outside India	7,242	6,994
- In India	622,816	622,184

All assets are located in the company's country of domicile i.e. India.

Concentration of Revenues from two customers of the group were 38.88% and 36.62% of total revenue for the year ended 31st March, 2021 and 31st March, 2020 respectively.

## 47 Impairment of Assets

In accordance with the Indian Accounting Standard (Ind AS-36) on "Impairment of Assets" the Company during the year carried out an exercise of identifying the assets that may have been impaired in respect of cash generating unit in accordance with the said Indian Accounting Standard. Based on the exercise, no impairment loss is required as at 31st March, 2021.

- 48 The value of realization of assets other than fixed assets and non current investment in the ordinary course of business will not be less than the value at which they are stated in the Balance Sheet.
- 49 The balances of trade receivables and trade payables are subject to adjustment if any on reconciliation/settlement.
- 50 The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.

## 51 Financial instruments Disclosure

### 51.1 Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders.

The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to shareholders. The capital structure of the Company is based on management's judgement of its strategic and day-to-day needs with a focus on total equity so as to maintain investor, creditors and market confidence.

The management and the Board of Directors monitors the return on capital as well as the level of dividends to shareholders. The Company may take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

#### Categories of financial instruments

(Amount in ₹ '000)

Particulars	As at 31st March, 2021	As at 31st March, 2020
<b>Financial assets</b>		
<b>Measured at amortised cost</b>		
Trade and other receivables	242,331	235,998
Cash and cash equivalents	41,590	3,595
Other Bank Balance	117,865	53,698
Loans	20	46
Other financial assets	5,618	6,156
<b>Financial liabilities</b>		
<b>Measured at amortised cost</b>		
Borrowings	242,593	188,878
Trade payables	51,152	54,918
Dividend Payable on Redeemable Preference Shares	81,470	76,510
Other financial liabilities	8,849	5,200

### 51.2 Financial risk management

The Company's principal financial liabilities, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include deposits, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The senior Management ensures that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

#### 51.2.1 Market Risk

Market risk is the risk or uncertainty arising from possible market price movements and their impact on the future performance of the business. The major components of market risk are price risk, foreign currency risk and interest rate risk.

##### A. Commodity price risk

The Company is affected by the price volatility of certain commodities. Its operating activities require the ongoing manufacture of machineries and components and therefore require a continuous supply of steel as principal raw material.

The Company's management has developed and enacted a risk management strategy regarding commodity price risk and its mitigation.

### B. Foreign Currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities.

The aim of the Company's approach to management of currency risk is to leave the Company with no material residual risk.

The carrying amount of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

(Amount in ₹ '000)

Particulars	As at 31st March, 2021	As at 31st March, 2020
<b>Assets</b>		
CHF	649	467
US\$	183	-
AUS\$	130	-

### Sensitivity to risk

A 5% strengthening of the INR against key currencies to which the Company is exposed would have led to approximately an additional ₹ 48 ('000) gain in the Statement of Profit and Loss. A 5% weakening of the INR against these currencies would have led to an equal but opposite effect

### C. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's short term debt obligations with floating interest rates.

The Company invests the surplus fund generated from operations in bank deposits. Considering these bank deposits are short term in nature, there is no significant interest rate risk.

The Company has laid policies and guidelines including tenure of investment made to minimise impact of interest rate risk.

### 51.2.2 Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations.

The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

#### A. Trade Receivable

Customer credit risk is managed by the Company subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored and any shipments to major customers are generally covered by letters of credit or other forms of credit insurance.

An impairment analysis is performed at each reporting date on an individual basis. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in Note no. 12

#### B. Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the management in accordance with the Company's policy. The Company's maximum exposure to credit risk for the components of the Balance Sheet at 31st March, 2021 and 31st March, 2020 is the carrying amounts as illustrated in Note no. 13.

### 51.2.3 Liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, bank loans, preference shares and finance leases.

The Company monitors its risk of a shortage of funds using a liquidity planning tool.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows as at the Balance Sheet date.

(Amount in ₹ '000)

Particulars	Within 1 year	Exceeding one year	Total
<b>As at 31st March, 2021</b>			
Borrowings	118,593	124,000	242,593
Trade Payable	51,152	-	51,152
Deposits towards lease	2,507		2,507
Dividend Payable on Redeemable Preference Shares	81,470		81,470
Expenses payable	6,342	-	6,342
<b>Total</b>	<b>260,064</b>	<b>124,000</b>	<b>384,064</b>
<b>As at 31st March, 2020</b>			
Borrowings	64,878	1,24,000	1,88,878
Trade Payable	54,918	-	54,918
Deposits towards lease	2,507		2,507
Dividend Payable on Redeemable Preference Shares	76,510		76,510
Expenses payable	2,693	-	2,693
<b>Total</b>	<b>201,506</b>	<b>124,000</b>	<b>325,506</b>

## 52. Fair Value Measurement

52.1 Fair value of the Company's financial assets that are measured at fair value on recurring basis.

Some of the Company's financial assets are measured at fair value at the end of each reporting period. The following table gives information about how the fair values of these financial assets are determined.

(Amount in ₹ '000)

Financial Assets / Financial Liabilities	Fair Value at 31st March 2021	Fair Value at 31st March 2020	Fair Value hierarchy	Valuation techniques and Key inputs
Asset held for sale	-	2411	Level - 2	1) Method of valuation is Average Cost Method. 2) Considered factors like balance life, residual life, market demand, process and atmospheric corrosion and obsolescence factor.

52.2 Fair value of financial assets and financial liabilities that are not measured at fair value (but fair value disclosures are required).

Management considers that the carrying amounts of financial assets and financial liabilities recognized in the financial statements except as per note 52.1 approximate their fair values.

## 53 Employee Stock option

At the Annual General Meeting of the Company held on 12th August, 2015 members of the Company passed a special resolution for introducing a "Integra Engineering India Employees Stock Option Plan 2015" for the benefit of employees of the Company. The resolution also accorded approval for the Board of Directors, to formulate the Scheme as per broad parameters outlined in the resolution. Pursuant to the Scheme, the Company has granted options to eligible employees of the Company under Plan. Each option entitles for one equity share. The options under this grant will vest to the employees as 20%, 40% and 40% of the total grant at end of third, fourth and fifth year from the date of grant, respectively, with an exercise period of three years for each grant. The vesting conditions include service terms and performance of the employees. These options are exercisable at an exercise price of ₹ 36/-per share (Face Value of ₹ 1 per share).

The fair value of each equity settled option is estimated on the date of grant using the Black-Scholes-Merton model, with the following assumptions:

Particulars	
Grant date	22nd August, 2017
No of Option Granted	1,80,000
<b>Option Value as on grant date</b>	
Fair Value per ESOP option (₹)	19.06
Value of Option (₹)	34,30,800
<b>Parameters of Fair Value of Options as on grant date</b>	
Stock Price as on grant date (₹)	39.75
Exercise Price (₹)	36.00
Volatility	45.29%
Risk Free rate	6.52%
Weighted Average time of Expiry	4.2 Years

During the year ended 31st March, 2021 the company had charged to statement of Profit and Loss as employee benefit expenses ₹ 675 ('000) (P.Y. ₹ 846 ('000)) by creating an Employee stock option reserve which is grouped under the head 'Other Equity'.

#### 54 Corporate Social Responsibility:
